- Identify a percent of the County's eighty (80) percent (based on population) that is dedicated to Unincorporated Municipal Service Area (UMSA), with the intent to allocate to future annexations and incorporations;
- Allow for the Agreement to remain in effect from year to year for so long as the County receives net proceeds (similar term exist in the 2003 Agreement);
- Provide "favored nation" status to Cities, so as to grant the same exemptions and rights that the County grants itself and/or other eligible Cities (similar term exists in the 2011 Agreement);

- Reduce reporting requirements to annually not quarterly, and tied to the certification requirement of the work completed (similar term exists in the 2003 Agreement).
