Contractor shall not permit any subcontractor to begin Services until after similar minimum insurance to cover subcontractor has been obtained and approved. In the event the insurance certificate provided indicates that the insurance shall terminate and lapse during the term of this Agreement, Contractor shall furnish, at least thirty (30) calendar days prior to expiration of the date of the insurance, a renewed certificate of insurance as proof that equal and like coverage and extension is in effect. Contractor shall not continue to perform the Services required by this Agreement unless all required insurance remains in full force and effect.

12.2 All insurance policies required of the Contractor shall be written by a company with a Best's rating of B+ or better and duly authorized and licensed to do business in the State of Florida and be executed by duly licensed managers upon whom service of process may be made in Miami-Dade County, Florida.

The payment bond shall secure and guarantee payment of all persons performing labor or providing materials for the Services rendered under this Agreement. The performance bond shall secure and guarantee Contractor's faithful performance of this Agreement, including but not limited to Contractor's obligation to correct defects after final payment has been made as required by the Contract Documents.

The Party seeking delay in performance shall give notice to the other Party specifying the anticipated duration of the delay, and if such delay shall extend beyond the duration specified in such notice, additional notice shall be repeated no less than monthly so long as such delay due to a Force Majeure Event continues.
