Further, action by the Owner or Contractor to prevent or deny the City's inspection of the Project will constitute a default of this Agreement, and the City shall be entitled to exercise any and all remedies at law or equity.

12. If the Owner terminates or cancels the services of the Contractor, and the Contractor is not in default of this Agreement, the Contractor shall be compensated for labor and material expenses incurred up to the date of cancellation, plus normal profit and overhead, the total sum of which shall not exceed 20% of the labor and materials' cost. As a condition of payment, Contractor shall submit verifiable written documentation of labor and materials expenses to the City. Owner and Contractor express their willingness to enter into this Agreement with recovery from the City for any action arising out of this Agreement to be limited to the total amount of its monetary commitment of \$24,445.00. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed on the City's liability as set forth in Section 768, Florida Statutes. Additionally, the City does not waive sovereign immunity, and no claim or award against the City shall include attorney's fees, investigative costs or pre-judgment interest.
17. Owner and Contractor shall hold harmless, indemnify and defend the City, its officers and employees from any and all obligations, liabilities, actions, claims, causes of action, suits or demands arising from this Agreement.

1. In the event the Owners file a voluntary petition under 11 U.S.C. 301 or 302, or an order for relief is entered under 11 U.S.C. 303, the Owner or Contractor shall acknowledge the extent, validity, and priority of the lien recorded in favor of the City. The Owner further agrees that in the event of this default, the City shall, at its option, be entitled to seek relief from the automatic stay provisions in effect pursuant to 11 U.S.C. 362. The City shall be entitled to relief from the automatic stay pursuant to 11 U.S.C. 362(d)(1) or (d)(2), and the Owner agrees to waive the notice provisions in effect pursuant to 11 U.S.C. 362 and any applicable Local Rules of the United States Bankruptcy Court. The monthly adequate protection payments shall each be in an amount determined in accordance with the Note and Mortgage executed by the Owner in favor of the City.
3. In the event the Owner files for bankruptcy under Chapter 13 of Title 11, United States Code, in addition to the foregoing provisions, the Owner agrees to cure any amounts in arrears over a period not to exceed twenty-four (24) months from the date of the confirmation order, and such payments shall be made in addition to the regular monthly payments required by the Note and Mortgage, if applicable. Additionally, the Owner shall agree that the City is oversecured and, therefore, entitled to interest and attorneys fees pursuant to 11 U.S.C. 506(b). Such fees shall be allowed and payable as an administrative expense. Further, in the event the Owner has less than five (5) years of payments remaining on the Note, the Owner agrees that the treatment afforded to the claim of the City under any confirmed plan of reorganization shall provide that the remaining payments shall be satisfied in accordance with the Note, and that the remaining payments or claim shall not be extended or amortized over a longer period than the time remaining under the Note.

- b. Should this Agreement be entered into and fully executed by the parties, and the funds have not been forwarded to Owner or Contractor, the following shall occur:

In the event the Owner files a voluntary petition pursuant to 11 U.S.C. 301 or 302, or an order for relief is entered under 11 U.S.C. 303, the Owner acknowledges that the commencement of a bankruptcy proceeding constitutes an event of default under the terms of this Agreement. Further, the Owner acknowledges that this Agreement constitutes an executory contract within the

meaning of 11 U.S.C. 365. The Owner acknowledges that the Agreement is not capable of being assumed pursuant to 11 U.S.C. 365(c)(2), unless the City expressly consents in writing to the assumption. In the event the City consents to the assumption, the Owner agrees to file a motion to assume the Agreement within ten (10) days after their receipt of written consent from the City, regardless of whether the bankruptcy proceeding is pending under Chapter 7, 11, or 13 of Title 11 of the United States Code. The Owner further acknowledges that this Agreement is not capable of being assigned pursuant to 11 U.S.C. 365(b)(1).

c. Should the Parties wish to execute the Agreement after the Owner has filed for bankruptcy, the following shall occur:

1. The Owner agrees that in the event they are current Debtors in bankruptcy, at the request of the City, the Owner shall file a motion for authorization to obtain post-petition financing pursuant to 11 U.S.C. 364(d)(1). The Owner further agrees that any funds loaned by the City shall be secured by a lien on the real property first in priority and ahead of any other existing lien(s), unless otherwise agreed to in writing by the City.

2. In the event of default, the City shall be entitled to pursue any and all available legal and equitable remedies, including, but not limited to, those remedies provided herein.

23. If Contractor defaults under this Agreement, by way of insolvency or bankruptcy, the following shall apply:

Should this Agreement be entered into and fully executed by the Parties, funds released and the Contractor files for bankruptcy, the following shall occur:

a. In the event the Contractor files a voluntary petition pursuant to 11 U.S.C. § 301, or an order for relief is entered under 11 U.S.C. § 303, the Contractor acknowledges that the commencement of a bankruptcy proceeding constitutes an event of default under the terms of this Agreement. Further, the Contractor acknowledges that this Agreement constitutes an executory contract within the meaning of 11 U.S.C. § 365. The Contractor agrees to file a motion to assume the Agreement within fifteen (15) days after a voluntary petition is filed pursuant to 11 U.S.C. § 301, or within five (5) days following the entry of an order for relief under 11 U.S.C. § 303. The City expressly reserves the right to oppose any motion to assume the Agreement filed by the Contractor under the provisions of this subparagraph. In the event the Contractor does not voluntarily assume the Agreement, or, in the event the United States Bankruptcy Court does not authorize the Contractor's assumption of this Agreement, the Contractor acknowledges and agrees that the City may assert a valid claim of recoupment, thereby being entitled to recoup any damages suffered as a result of the Contractor's breach of this Agreement either by

failing to voluntarily assume the Agreement, or, as a result of the entry of an order by the United States Bankruptcy Court prohibiting such assignment, against any monies which may be owed by the City to Contractor under the terms of the Agreement.

- b. In the event the Contractor is authorized to assume this Agreement, the Contractor acknowledges and agrees that it shall be obligated to cure any and all existing defaults upon the entry of an order by the United States Bankruptcy Court authorizing its assumption of this Agreement. Furthermore, the Contractor shall be obligated to provide adequate assurance of future performance including, but not limited to, adequate assurances that the Contractor shall complete the project contemplated by the Agreement within the time frame provided and agreed upon by the Parties under the terms and conditions of this Agreement.
 - c. In the event that the Owner defaults under this Agreement by insolvency or bankruptcy, either by filing a voluntary petition under 11 U.S.C. §§ 301 or 302, or an order for relief is entered under 11 U.S.C. § 303, Contractor fully understands, acknowledges and agrees to be fully bound by the provisions contained in Paragraph 22 (a)(1), (a)(2), (a)(3), (b) and/or (c), in the event Contractor files a voluntary petition under 11 U.S.C. § 301, or an order for relief is entered under 11 U.S.C. § 303. The Contractor further acknowledges and agrees that, in the event the City is not obligated to perform under the terms and conditions of this Agreement, as a result of the Owner defaulting under this Agreement by insolvency or bankruptcy, by filing a voluntary petition under 11 U.S.C. § 301 or 302, or an order for relief is entered under 11 U.S.C. § 303, the City shall be entitled to assert any defenses to which it may avail itself against the Owner, against the Contractor including, but limited to, any claim or right of recoupment.
- 24. This Agreement shall be governed by the laws of Florida, and venue shall be in Miami-Dade County, Florida.
 - 25. The Owner and Contractor shall comply with all applicable requirements as described in Title II of the Cranston-Gonzalez National Affordable Housing Act of 1990.
