

**MUTUAL AID AGREEMENT
BETWEEN THE CITY OF NORTH MIAMI POLICE DEPARTMENT
AND THE TOWN OF BAY HARBOR ISLANDS POLICE DEPARTMENT**

WHEREAS, it is the responsibility of the governments of the **City of North Miami**, Florida, and the **Town of Bay Harbor Islands** to ensure the public safety of their citizens by providing adequate levels of police services to address any foreseeable routine or emergency situation; and

WHEREAS, because of the existing and continuing possibility of the occurrence of law enforcement problems and other natural and manmade conditions which are, or are likely to be, beyond the control of the services, personnel, equipment or facilities of the participating municipal police departments; and

WHEREAS, in order to ensure that the preparation of these law enforcement agencies will be adequate to address any and all of these conditions, to protect the public peace and safety, and to preserve the lives and property of the people of the two municipalities located in Miami-Dade County; and

WHEREAS, the two participating municipalities, the **City of North Miami** and the **Town of Bay Harbor Islands**, have the authority to enter into a mutual aid agreement with one another pursuant to Chapter 23, Florida Statutes, Florida Mutual Aid Act.

NOW, THEREFORE, BE IT KNOWN, that the **City of North Miami** and the **Town of Bay Harbor Islands**, subdivisions of the State of Florida, and the undersigned representatives, in consideration of mutual promises to render valuable aid in times of necessity, agree to fully and faithfully abide by and be bound by the following terms and conditions:

1. Short title: Mutual Aid Agreement.

2. Description: Because this Mutual Aid Agreement provides for the requesting and rendering of assistance for both routine and law enforcement intensive situations, this Mutual Aid Agreement (“Agreement”) combines the elements of both a voluntary cooperation agreement and a requested operational assistance agreement, as described in Chapter 23, Florida Statutes.
3. Definitions:
 - a. **Joint Declaration:** A document which enumerates the various conditions or situations where aid may be requested or rendered pursuant to this Agreement, as determined by concerned agency heads. Subsequent to execution by the concerned agency heads, the Joint Declaration shall be filed with the clerks of the respective, participating municipalities/political subdivisions to this agreement and shall become incorporated into this Agreement. The declaration may be amended or supplemented at any time by these concerned agency heads by filing subsequent declarations with the clerks of the respective, participating municipalities/political subdivisions.
 - b. **Agency or participating law enforcement agency:** The **City of North Miami Police Department** and the **Town of Bay Harbor Islands Police Department**.
 - c. **Department Head:** The Chief of the **City of North Miami Police Department**, or the Chief’s designees, and the Chief of Police of the **Town of Bay Harbor Islands Police Department**, or the Chief’s designees.

4. Operations:
 - a. In the event that a party to this Agreement is in need of assistance, as specified in the applicable Joint Declaration which shall become part of this Agreement, an authorized representative of the City requiring assistance shall notify the agency from whom such assistance is requested. The authorized agency representative whose assistance is sought shall evaluate the situation and available resources, and will respond in a manner deemed appropriate.

- b. Each party to this Agreement agrees to furnish necessary personnel, equipment, facilities, and other resources and to render services to the other party as required to assist the requesting party in addressing the situation which caused the request; provided, however, that no party shall be required to deplete unreasonably its own personnel, equipment, facilities, and other resources and services in rendering such assistance.
- c. The agency heads of the participating law enforcement agencies, or their designees, shall establish procedures for giving control of the mission definition to the requesting agency, and for giving tactical control over accomplishing any such assigned mission and supervisory control over all personnel or equipment provided pursuant to this Agreement to the providing agency.

5. Powers, Privileges, Immunities, and Costs:

- a. All employees of the participating municipal police department, including certified law enforcement employees as defined in Chapter 943, Florida Statutes, during such time that the employees are actually providing aid outside of the jurisdictional limits of the employing municipality pursuant to a request for aid made in accordance with this Agreement, shall, pursuant to the provisions of Chapter 23, Florida Statutes, have the same powers, duties, rights, privileges, and immunities as if they were performing their duties in the political subdivision in which they are regularly employed.
- b. The political subdivision having financial responsibility for the law enforcement agency providing services, personnel, equipment, or facilities pursuant to the provisions of this Agreement shall bear any loss or damage to same and shall pay any and all expenses incurred in the maintenance and operation of any action.

All exemptions from ordinance and rules, and all pension, insurance, relief, disability, workers compensation, salary, death, and other benefits which apply to the activity of such officers, agents, or employees of any such agency, when performing their respective functions within the territorial limits of their respective agencies, shall apply to them to the same degree, manner, and extent while engaged in the performance of their functions and duties extra territorially under the provisions of this Agreement. The provisions of this Agreement shall apply with equal effect to paid and auxiliary employees.
6. **Indemnification, Hold Harmless:** The political subdivision having financial responsibility for the law enforcement agency providing aid pursuant to this Agreement agrees to hold harmless, defend, and indemnify the requesting law enforcement agency and its political subdivision in any suit, action, or claim for damages resulting from any and all acts or conduct of employees of the providing agency while providing aid pursuant to this Agreement, subject to Chapter 768, Florida Statutes, where applicable.
7. **Forfeitures:** It is recognized that during the course of the operation of this agreement, property subject to forfeiture under the Florida Contraband Forfeiture Act, Florida Statutes, may be seized. The property shall be seized, forfeited, and equitably distributed among the participating agencies in proportion to the amount of investigation and participation performed by each agency. **JOINT DECLARATION OF THE CHIEF OF
THE CITY OF NORTH MIAMI POLICE DEPARTMENT AND
THE CHIEF OF THE TOWN OF BAY HARBOR ISLANDS POLICE DEPARTMENT
PURSUANT TO MUTUAL AID AGREEMENT**

A police officer of either of the participating law enforcement agencies shall be considered to be operating under the provisions of the Mutual Aid Agreement when:

participating in law enforcement activities that are preplanned and approved by each respective agency head, or

appropriately dispatched in response to a request for assistance from the other law enforcement agency.

In compliance with, and under the authority of, the Mutual Aid Agreement, entered into by the **Town of Bay Harbor Islands**, Florida, and the **City of North Miami**, Florida, it is declared that the following list comprises the circumstances and conditions under which mutual aid may be requested and rendered regarding police operations pursuant to the Agreement. This list may be amended or supplemented from time to time, as needs dictate by subsequent declarations.

1. Joint multi-jurisdictional criminal investigations;
2. Civil affray or disobedience, disturbances, riots, large protest demonstrations, controversial trials, political conventions, labor disputes, and strikes;
3. Any natural disaster;
4. Incidents which require rescue operations and crowd and traffic control measures, including, but not limited to, large-scale evacuations, aircraft and shipping disasters, fires, explosions, gas line leaks, radiological incidents, train wrecks and derailments, chemical or hazardous waste spills, and electrical power failures;
5. Terrorist activities including, but not limited to, acts of sabotage;
6. Escapes from or disturbances within detention facilities;
7. Hostage and barricaded subject situations, and aircraft piracy;
8. Control of major crime scenes, area searches, perimeter control, backups to emergency and in-progress calls, pursuits, and missing persons calls;
9. Enemy attack;
10. Transportation of evidence requiring security;
11. Major events; e.g., sporting events, concerts, parades, fairs, festivals, and conventions;

12. Security and escort duties for dignitaries;
13. Emergency situations in which one agency cannot perform its functional objective;
14. Incidents requiring utilization of specialized units; e.g., underwater recovery, canine, motorcycle, crime scene, marine patrol enforcement or investigation, and police information;
15. Joint training in areas of mutual need;
16. Participating in exigent situations without a formal request which are spontaneous occurrences such as area searches for wanted subjects, perimeters, crimes in progress, escaped prisoners; traffic stops near municipal boundaries, request for assistance and no local unit is available or nearby, calls or transmissions indicating an officer is injured, calls indicating a crime or incident has occurred in which a citizen may likely be injured and the assisting municipality is closer to the area than the officer receiving the call;
17. Mutual enforcement of all existing applicable laws and ordinances and exercise of arrest powers within the area comprising the jurisdictional waters within the respective municipal boundaries;
18. The agencies will be permitted to patrol jurisdictional waters of either jurisdiction, and to take enforcement actions as deemed appropriate under city, state, and federal laws, rules and regulations, and to write boating law violation citations, make arrests, and to attend court on behalf of the other agency;
19. The agencies agree that any and all incidents, which require an initial (preliminary) police offense incident report (OIR), will be completely by the agency making the initial contact. Any follow-up investigations that are required are to be completed by the jurisdiction in which the incident occurred regardless of which agency completed the original offense incident report;
20. If an arrest is made by one agency that is operating in the jurisdictional waters of the other agency, and that arrest results in asset forfeiture proceedings, the property shall be seized, forfeited, and equitably distributed among the participating agencies in proportion to the amount of investigation and participation performed by each agency. The jurisdiction of civil forfeiture action shall be filed by the seizing agency;
21. Both agencies have the right to set their own days and hours for marine patrol and agree to provide assistance and aid to the other agency under the spirit of this Mutual Aid Agreement.

This Amendment shall become effective upon the signing of both Cities and shall remain in effect until either the current Mutual Aid Agreement and Joint Declaration expires or either agency gives written notice to the other agency to rescind this Amendment.

I accept the terms and conditions of the aforementioned Amendment to the current Mutual Aid Agreement and Joint Declaration between the Town of Bay Harbor Islands Police Department and the City of North Miami Police Department.
