4.1.4 Notwithstanding the foregoing Term of Agreement, this Agreement may be terminated by the City Manager at any time, in accordance with Article 15 or Article 16.

4.2 Contractor agrees that Services shall be rendered to the City on schedule, diligently and uninterrupted. Contractor shall be required to show just cause for delays or for additional time requests. Failure to achieve timely Services shall be regarded as a breach of this Agreement and subject to the appropriate remedies available hereunder and at law.

4.3 When, in the opinion of the City, reasonable grounds for uncertainty exist with respect to the Contractor’s ability to perform Services or any portion thereof, the City may request that the Contractor, within a reasonable time frame set forth in the City’s request, provide adequate assurances to the City in writing, of Contractor’s ability to perform in accordance with terms of this Agreement. In the event Contractor fails to cure the default within thirty (30) Days, the City, at its option, may immediately terminate this Agreement. Any extension of time for payment of Fees beyond the thirty (30) Day grace period must be authorized by the City. The prevailing Party in any case regarding the collection of Fees shall be entitled to court costs and attorneys' fees.

5.5 All Fees shall be paid to the City at City's address indicated herein.

5.6 No payment by Contractor or receipt by City of a lesser amount than the amount owed under this Agreement shall be deemed to be other than a part payment on account by Contractor. Any endorsement or statement on any check or letter accompanying any check or payment of Fees shall not be deemed an accord or satisfaction. City may accept any such check or payment without prejudice to City's right to recover the balance of such Fees or pursue any other remedy.
