

PUBLIC NOTICE

LOCAL MITIGATION STRATEGY (LMS) QUARTERLY MEETING

Review of Miami-Dade County LMS Plan

September 17, 2014 - 9:30 a.m. – 11:30 a.m.
Miami-Dade Fire Rescue Training Center
Second Floor Auditorium (Behind the main building)
9300 NW 41 Street
Doral, FL 3318

Every five years, Miami-Dade County is required to submit an update of the Local Mitigation Strategy (LMS) to the State of Florida Division of Emergency Management (FDEM) and the Federal Emergency Management Agency (FEMA) for review. The LMS is designed to address risks and vulnerabilities and identify and track mitigation measures that community stakeholders have identified to lessen the impacts of disasters on our community.

A draft of the updated LMS will be open for public comment and an overview will be provided at the next LMS Quarterly meeting that will take place on Wednesday, September 17, 2014 at the Miami-Dade Fire Rescue Training Facility, 2nd Floor Auditorium at 9300 N.W. 41st Street Doral, FL 33178. Parking is available adjacent to the Training Facility. All working group members and the public are welcome to attend.

The City of North Miami and Miami-Dade County encourages any interested residents and business owners to attend and provide feedback on significant issues addressed at the meeting. The committee, which the City of North Miami is actively involved, guides the preparation of the Miami-Dade County LMS to reduce the community's long term risk to people and properties from the affects of natural disasters. A draft of the plan will be available online at <http://www.miamidade.gov/fire/mitigation.asp>. Public comments are welcome and may be sent to mdlms@miamidade.gov.

• TWO OR MORE MEMBERS OF THE NORTH MIAMI CITY COUNCIL AND OTHER CITY BOARDS MAY BE IN ATTENDANCE AT THIS MEETING.
