Request for Information Questions/Clarification:

Q.1 After contacting 2 dozen nurseries, 2” caliper, 12’ oa. material in 25-30 gal are not available in the state of Florida. Will the city reduce the caliper and height specs for the 25-30 gal or will they increase the size to 45 gallons? Please keep in mind, 45 gallon material costs substantially more than 25-30 gallon material.

A.1 Please see Item 1 above.
