1.2 SEALED BIDS:

Original copy of Bid Form as well as any other pertinent documents must be returned in order for the Bid to be considered for award. All Bids are subject to the

conditions specified herein and on the attached Special Conditions, Specifications and Bid Form.

The completed Bid must be submitted in a sealed envelope clearly marked with the Bid Title to the Office of the City Clerk of North Miami, City Hall, 776 N.E.125th Street, North Miami, Florida 33161-5216 by 3:30 p.m., local time on date due.

1.3 CITY OVERVIEW

North Miami, Florida (pop. 60, 000) is a diverse community, ideally located midway between Miami and Fort Lauderdale and encompasses approximately 9.5 square miles. As the fifth largest City of Miami-Dade County, North Miami is committed to growth in its business community, while also focusing on issues such as education, the arts, leisure activities and sustainability to provide a viable future for our residents and preserve the City's rich history since its incorporation in 1926.

The City currently has 550+ employees and provides a wide range of governmental services including public safety / police services, parks and recreation, public works, water and sewer, planning, building and zoning, code enforcement, and community development to its citizens.

The City is a very large consumer of goods and services and the purchasing decisions of our employees and Contractors can positively or negatively affect the environment. By including environmental considerations in our procurement decisions, along with our traditional concerns with price, performance and availability, we will remain fiscally responsible while promoting practices that improve public health and safety, reduce pollution, and conserve natural resources.

1.4 EXECUTION OF BID:

The Bid must contain a manual signature of an authorized representative in the space provided on the Bid Form. Failure to properly sign the Bid shall invalidate the Bid and it shall NOT be considered for award. All Bids must be completed in pen or be typewritten. No erasures are permitted. If a correction is necessary, draw a single line through the entered figure and enter the corrected figure above it. Corrections must be initialed by the person signing the Bid. Any illegible entries, pencil Bids or corrections not initialed may not be tabulated. The original Bid conditions and specifications CANNOT be changed or altered in any way after submitted to the City.

1.5 INVITATION

This invitation is extended to Respondents that can provide the requirement(s) specified herein. The

requirements presented in this Solicitation represent the City's anticipated needs.

1.6 PRICES QUOTES

Deduct trade discounts and quote firm net prices. Give both unit price and extended total, when requested. Prices must be stated in units of quantity specified in the Bid specifications. In case of discrepancy in computing the amount of the Bid, the UNIT PRICE quoted will govern. All prices must be F.O.B. destination, freight prepaid (unless otherwise stated in special conditions). Discounts to be given for prompt payment. Award, if made, will be in accordance with terms and conditions stated herein. Each item must be proposed separately and no attempts are to be made to tie any item or items in with any other item or items. Cash or quantity discounts offered will not be a consideration in determination of award of Bid(s). All prices quoted shall be guaranteed for 90 days from Bid date unless otherwise specified in Special Conditions.

1.7 TAXES:

The City is exempt from all federal excise and state taxes. The applicable tax exemption number is shown on the Purchase Order.

1.8 MISTAKES

Bidders are expected to examine the specifications, delivery schedules, Bid prices and extensions and all instructions pertaining to supplies and Services. Failure to do so will be at the Bidder's risk.

1.9 UNDERWRITERS' LABORATORIES:

Unless otherwise stipulated in the Bid, all manufactured items and fabricated assemblies shall be U.L. listed or re-examination listing where such has been established by U.L. for the item(s) offered and furnished.

1.10 BID'S CONDITIONS:

The City reserves the right to waive irregularities in Bids or to reject all Bids or any part of any Bid deemed necessary for the best interest of the City.

1.11 PRODUCTS, MATERIALS WITH RECYCLED CONTENT:

It is the intent and policy of the City, that the needs of the City for products and materials be made using recycled contents whenever possible. Bidders must certify in writing the percentage of recycled content in the product or material. "Recycled content" means materials that have been recycled that are contained in the products or materials to be procured, including, but not limited to, paper, aluminum, glass and composted material. The minimum percentage of recycled content shall be twenty-five (25) percent of materials recovered from post-consumer waste. The term does not include internally generated scrap that is commonly used in

industrial or manufactured processes or waste or scrap purchased from another manufacturer who manufactures the same or a closely related product. The City may allow up to ten (10) percent price difference to a responsible Bidder who has certified in writing the above recycled content.

1.12 EQUIVALENTS:

If Bidder offers makes of equipment or brands of supplies other than those specified, it must be indicated in the Bid. Specific article(s) of equipment/supplies shall conform in quality, design and construction with all published claims of the manufacturer.

Catalog numbers, manufacturers' and brand names, when listed are informational guides as to a standard of acceptable product quality level only and should not be construed as an endorsement or a product limitation of recognized and legitimate manufacturers. Bidders shall formally substantiate and verify that product(s) offered conform with or exceed quality as listed in the specifications.

Bidder shall indicate on the Bid Form the manufacturers' name and number if proposing other than the specified brands, and shall indicate ANY deviation from the specifications as listed. Equivalent items offered in the Bid MUST be accompanied by complete descriptive technical literature marked to indicate and detail conformance with specifications. **THE DESCRIPTIVE TECHNICAL LITERATURE MUST BE INCLUDED WITH THE BID. NO BIDS WILL BE CONSIDERED WITHOUT THIS DATA.**

Lacking any written indication of intent to quote an alternate brand or model number, the Bid will be considered as incomplete and not in compliance with the specifications as listed on the attached form.

1.13 NON-CONFORMANCE TO CONTRACT CONDITIONS:

Items may be tested for compliance with specifications. Any item delivered, not conforming to specifications, may be rejected and returned at Bidder's expense. These items and items not delivered as per delivery date in Bid and/or purchase order may be purchased on the open market. Any increase in cost may be charged against the Bidder. Any violation of these stipulations may also result in Bidder's Name being removed from the vendor list.

1.14 SAMPLES:

Samples of items, when required, must be furnished free of expense and, if not destroyed, will, upon request, be returned at the Bidder's expense. Bidders will be responsible for the removal of all samples furnished within (30) days after Bid opening. All samples will be disposed of after thirty (30) days. Each individual sample must be labeled with Bidder's name. Failure of Bidder to either deliver required samples or to clearly identify samples may be reason for rejection of the Bid. Unless otherwise indicated, samples should be delivered to the Purchasing Department, 776 N.E. 125th Street, North Miami, Florida 33161.

1.15 DELIVERY:

Unless actual date of delivery is specified (or if specified delivery cannot be met), show number of days (in calendar days) required to make delivery after receipt of purchase order, in space provided. Delivery time may become a basis for making an award. Delivery shall be within the normal working hours of the City, Monday through Friday, excluding holidays.

1.16 INTERPRETATIONS:

Unless otherwise stated in the Bid, any questions concerning conditions and specifications should be submitted in writing to the Purchasing Department, at purchasing@northmiamifi.gov by no later than the date and time stipulated in the Solicitation Timetable of request for clarification.

1.17 AWARDS:

The City reserves the right to reject all Bids or any portion of any Bid deemed necessary for the best interest of the City; to accept any item or group of items; to acquire additional quantities at prices quoted on the Bid Form unless additional quantities are not acceptable, in which case the Bid Form must be noted "BID IS FOR SPECIFIED QUANTITY ONLY". All awards made as a result of this Bid shall conform to applicable Florida Statutes.

1.18 BID OPENING:

Properly received and timely Responses shall be opened and publicly read in the Office of the City Clerk, located at 776 N.E. 125th Street, North Miami, Florida 33161 on the date and at the time specified on the Bid Form. A list of Respondents shall be placed on the City's website. All Bids received after that time shall be returned, unopened.

1.19 INSPECTION, ACCEPTANCE & TITLE:

Inspection and acceptance will be FOB destination unless otherwise provided. Title to/or risk of loss or damage to all items shall be the responsibility of the successful Bidder until acceptance by the City, unless loss or damage is the result of gross negligence by the City. If the materials or Services supplied to the City are found to be defective or not conform to specifications, the City reserves the right to cancel the order upon written notice to the seller and return product at Bidder's expense.

1.20 PAYMENT:

Payment will be made by the City after the items awarded to a Bidder have been received, inspected, and found to comply with award specifications, free of damage or defect and properly invoiced.

1.21 DISPUTES:

In case of any doubt or difference of opinion as to the items to be furnished hereunder, the decision of the City Manager shall be final and binding on both parties.

1.22 LEGAL REQUIREMENTS:

Federal, State, county and city laws, ordinances, rules and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the Bidder will in no way be a cause for relief from responsibility.

1.23 PATENTS & ROYALTIES:

The Bidder, without exception, shall indemnify and hold harmless the City and its employees from liability of any nature or kind, including cost and expenses for, or on account of, any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the Contract, including its use by the City. If the Bidder uses any design, device or materials covered by letters, patent, or copyright, it is mutually understood and agreed, without exception, that the Bid prices shall include all royalties or cost arising from the use of such design, device, or materials in any way involved in the Work.

1.24 OSHA:

The Bidder warrants that the product and Services supplied to the City shall conform in all respects to the standards set forth in the Occupational Safety and Health Act of 1970, as amended, and the failure to comply with this condition will be considered as a breach of Contract. Any fines levied because of inadequacies to comply with these requirements shall be borne solely by the Bidder responsible for same.

1.25 SAFETY PRECAUTIONS:

The Bidder shall, if required, maintain suitable and sufficient guards and barriers and, at night, suitable and sufficient lighting for the prevention of accidents and all minimum safety standards required by municipal, County, State and Federal ordinances and laws shall be strictly met by the Bidder.

1.26 SPECIAL CONDITIONS:

Any and all Special Conditions that may vary from these General Conditions shall have precedence.

1.27 ANTI-DISCRIMINATION:

The Bidder certifies compliance with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375, relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin.

1.28 QUALITY:

All materials used for the manufacture or construction of any supplies, materials or equipment covered by this Bid shall be new. The items listed in the Bid must be new, unless recycled materials are certified by Bidder, the latest model, of the best quality, and highest grade workmanship.

1.29 LIABILITY, INSURANCE, LICENSES AND PERMITS:

Where Bidders are required to enter or go onto City property to deliver materials or perform Work or Services as a result of a Bid award, the successful Bidder will assume the full duty, obligation and expense of obtaining all necessary licenses, permits and insurance and assure all Work complies with all Dade County and City building requirements and the South Florida Building Code. The Bidder shall be liable for any damages or loss to the City occasioned by negligence of the Bidder (or agent) or any person the Bidder has designated in the completion of the Contract as a result of the Bid

1.30 BID BONDS, PERFORMANCE BONDS, CERTIFICATES OF INSURANCE:

Bonds shall be submitted with the Bid in the amount specified in Supplemental Conditions. After acceptance of Bid, the City may notify the successful Bidder to submit performance and payment bonds and certificate of insurance in the amount specified in Supplemental Conditions [not contained in this document].

The successful Bidder may be required to furnish to the City, a Performance Bond and Payment Bond for 100% of the total Bid submitted, to be in the form of a Cashier's Check, made payable to the City of North Miami; a bond written by a surety company authorized to do business in the State of Florida and shall comply with State Statue 28730935; or an Irrevocable Letter of Credit. If the latter is chosen, it must be written on a bank located in Miami-Dade County, be in the amount of the Contract and should clearly and expressly state that it cannot be revoked until express written approval has been given by the City. The City, to draw on same, would merely have to give written notice to the bank with a copy to the successful Contractor.

1.31 PUBLIC ENTITY CRIMES AFFIDAVIT

The *Public Entity Crime Affidavit, (Form "A-1")* attached to this Solicitation, includes documentation that shall be executed by an individual authorized to bind the Respondent(s). If the *Public Entity Crime Affidavit* is not submitted as part of the Respondent(s)'s Response package, is altered in any manner or is not fully completed, the Respondent(s) may be deemed non-responsive to the Solicitation requirements.

1.32 PUBLIC ENTITY CRIME / DISCRIMINATORY RESPONDENT(S) LIST

Any Respondent(s), or any of its Suppliers, Subcontractors, or consultants who shall perform Work which is intended to benefit the City, shall not be a convicted Respondent(s) or included on the

discriminatory Respondent(s) list. If the Respondent(s) or any affiliate of the Respondent(s) has been convicted of a public entity crime or has been placed on the discriminatory Respondent(s) list, a period longer than 36 months must have passed since that person was placed on the convicted Respondent(s) or discriminatory Respondent(s) list. The Respondent(s) further understands and accepts that any Contract issued as a result of this Solicitation shall be either voidable or subject to immediate termination by the City. The City in the event in such termination, shall not incur any liability to the Respondent(s) for any Work or materials furnished.

1.33 LOBBYING

All Respondents, their agents and proposed Sub-consultants or Subcontractors, are hereby placed on notice that the City Council Members, any evaluation committee members, employees of the City or employees of any other project sponsoring agencies shall not be lobbied either individually or collectively regarding this Solicitation. Respondents, their agents and proposed Sub-consultants or Subcontractors are hereby placed on notice that they are prohibited from contacting any of these individuals for any purpose relating to the Solicitation (e.g., general information, meetings of introduction, meals, etc.). Any Bid submitted by a Respondent(s), its agents and potential Sub-consultants or Subcontractors who violate these guidelines will not be considered for review. The Procurement Director or Contract Specialist (identified on the cover page of this Solicitation) shall be the only point of contact for questions and/or clarifications concerning the Solicitation, the selection process and the negotiation and award procedures.

1.34 SUSPENSION OF CONTRACTORS FOR MATERIAL BREACH OF CITY CONTRACTS

Pursuant to Section 7-160 (a), (b) & (c), City Code, the Director of Procurement may temporarily or permanently suspend Contractors from doing business with the City whenever a Contractor materially breaches its Contract with the City. Any Bid submitted by a Respondent(s), its proposed Subcontractors or Sub-consultants who are included on the City's Suspension List shall not be considered for review.

In addition, the principles of any Respondents or its proposed Subcontractors or Sub-consultants shall not attempt to do business with the City under a different name or form a new legal entity in order to do business with the City while the principals of the Respondent(s) or its proposed Subcontractors or Sub-consultants remain on the Suspension List. In the event there is any intentional misrepresentation, the Respondent(s) further understands and accepts that any Contract issued as a result of this Solicitation shall be subject to immediate termination for default and suspension procedures by the City. The City, in the event of such termination, shall not incur any liability to the Respondent(s) for any Work or material furnished.

1.35 POINTS OF CONTACT TIMETABLE FOR INQUIRIES

Respondents shall contact the Contract specialist, identified on the cover page of this Solicitation, for all inquiries relating to this Solicitation. All Respondents' technical inquiries shall be confirmed in writing either through the mail, via facsimile transmission or electronic mail.

Technical questions will not be entertained beyond the cut-off date indicated on the cover page so that answers to substantive questions, in the form of written addenda, can be posted on the City's web site (www.northmiamifl.gov) and Demand Star by Onvia at www.demandstar.com or calling toll free 1-800-711-1712 and requesting the corresponding documents number.

1.36 ORAL REPRESENTATION

No oral representation made by the City staff shall be binding. The contents of this IFB and any subsequent addenda issued by the City shall govern all aspects of this Solicitation.

1.37 ADDENDA

If any Solicitation revisions become necessary, the City will post written addenda on the City web's site at (www.northmiamifl.gov) and on Demand Star by Onvia at www.demandstar.com or calling toll free 1-800-711-1712 and requesting the corresponding document number at least seven (7) calendar days before the date scheduled for opening the Responses. The City may revise the deadline for Response submission at any time prior to the date and time scheduled for opening the Responses. **It is the responsibility of all Respondents to ascertain whether any addenda have been issued before the Solicitation deadline by either calling or checking the City's web site (www.northmiamifl.gov) and Demand Star and by Onvia at www.demandstar.com or calling toll free 1-800-711-1712 and requesting the corresponding document number.** All addenda placed on the Demand Star can be downloaded.

1.38 CANCELLATION OF THE SOLICITATION

The City reserves the right to cancel this Contract by written notice to the Contractor effective the date specified in the notice should any of the following applies:

- A) The Contractor is determined by the City to be in breach of any of the terms and conditions of the Contract and/or to have failed to perform his/her Services in a manner satisfactory to the City. In the event the Contractor is found to be in default, the Contractor will be paid for all labor materials provided as of the termination date. No consideration will be given for anticipated loss of revenue or the canceled portions of the Contract.
- B) The City Manager has determined that such cancellation will be in the best interest of the City to cancel the Contract for its own convenience.
- C) Funds are not available to cover the cost of the Services. The City's obligation is contingent upon the availability of appropriate funds.

1.39 PROTEST

If a potential Respondent(s) protests any provisions of the Invitation for Bid documents, a written protest must be filed with the City Clerk within five (5) business days (excluding weekends and City observed holidays) prior to date set for opening of the Bids. A written protest is considered filed when received by the City Clerk.

Any Respondent(s) who files a formal written protest pursuant to Section 7-158, City Code, shall post with the City, at the time of filing the formal written protest with the City Clerk, a filing fee in an amount equal to one percent (1%) of the amount of the Bid or proposed Contract, or one thousand dollars (\$1,000), whichever is less. Failure to file a notice of protest within the time prescribed in Section 7-158, City Code, or failure to post the filing fee within the time allowed, shall constitute a waiver of such Respondent(s)'s right to file a protest.

Notice of written protest along with the filing fee, shall be timely filed with the City Clerk of the City North Miami at 776 NE 125th Street, 1st Floor North Miami, FL 33161. The City will not accept receipt of any formal written protests filed at any location other than the City's Clerk's Office

1.40 CONTRACT

The selected Respondent(s) understands that this Solicitation or the Response shall not constitute a Contract with the City. No Contract is binding or official until Responses are reviewed and accepted by appointed City Staff, approved by the appropriate level of authority within the City and an official Contract is duly executed by the parties. The selected Respondent(s) shall be required to sign a Contract which the City Manager determines to be fair, competitive and reasonable.

1.41 DEVELOPMENT COSTS

Neither the City nor its representatives shall be liable for any expenses incurred in connection with the preparation, submission or presentation of a Response to this Solicitation. All information in the Response shall be provided at no cost to the City.

1.42 SUBSTITUTIONS:

The City WILL NOT accept substitute shipments of any kind. Bidder is expected to furnish the brand quoted in their Bid once awarded. Any substitute shipments will be returned at the Bidder's expense.

1.43 TAX EXEMPT STATUS

The City is exempt from Florida Sales and Federal Excise taxes on direct purchase of tangible property.

1.44 BILLING INSTRUCTIONS:

Invoices, unless otherwise indicated, must show purchase order numbers and shall be submitted in **DUPLICATE** to the City of North Miami, 776 N.E. 125th Street, North Miami, Florida 33161.

1.45 RESPONSE SUBMISSION AND OPENING

All Responses shall be submitted in a sealed envelope by the deadline indicated on the cover page of this Solicitation. The Response shall identify the Solicitation number and title specified on the cover page of this Solicitation. Reference information shall also be marked on the outside of the sealed envelope, including the Respondent(s)'s return address. The City assumes no responsibility for Responses not properly marked.

The City will not accept Responses delivered after the established deadline. If the Response is delivered after the established deadline, a Respondent(s) shall be deemed non-responsive to the Solicitation requirements.

Receipts of a Response by any City office, receptionist or personnel other than the Clerk's Office will not constitute "delivery" as required by this Solicitation. The City will not accept or consider Responses submitted via facsimile transmission. The public is welcome to attend the Solicitation opening.

1.46 ASSIGNMENT:

The Contractor shall not assign, transfer, convey, sublet or otherwise dispose of any Contract, including any or all of its right, title, or interest therein, or his or its power to execute such Contract to any person, company or corporation without prior written consent of the City.

1.47 ASSIGNMENT OF RESPONSE

A Respondent(s) shall not transfer or assign its Response to a third party following submission of a Bid to the City.

1.48 WITHDRAWAL OF RESPONSE

Respondents shall withdraw their submitted Bid by notifying the City either in writing or in person through an authorized representative at any time prior to the submission deadline. Individuals making the withdrawal shall provide evidence of serving as an authorized representative of the Respondent(s). Responses, once received, become the property of the City, and will not be returned to Respondents even when they are withdrawn from consideration.

Responses, once opened, shall not be withdrawn or modified except to the extent agreed to by the City during subsequent Contract negotiation.

1.49 PUBLIC RECORDS AND EXEMPTIONS

Upon receipt, Responses become "public records" and shall be subject to public disclosure consistent with Chapter 119, Florida Statutes. Respondents shall invoke the exemptions to disclosure provided by law, in the Response to the Solicitation, by providing the specific statutory authority for the claimed exemption, identifying the data or other materials to be protected, and stating the reasons why such exclusion from public disclosure is necessary. Responses will be made available for public inspection at the time the City posts notice of its decision or intended decision concerning

Contract awards, or thirty (30) days after the Response opening, whichever is earlier.

1.50 REJECTION OF RESPONSES

Pursuant to Section 7-136, City Code, the City reserves the right to reject any and all Responses for reasons including, but not limited to, the following:

- (1) When such rejection is in the interests of the City;
- (2) If such Bid is deemed non-responsive;
- (3) If the Respondent(s) is deemed non-responsive; or
- (4) If the Bid contains any material irregularities. Minor irregularities contained in Response may be waived by the City. A minor irregularity is a variation from the Solicitation that does not affect the price of the Contract nor does it give a Respondent(s) an advantage or benefit not enjoyed by other Respondents and does not adversely impact the City.

1.51 FACILITIES:

The City reserves the right to inspect the Bidder's facilities at any time with prior notice.

1.52 APPLICABLE LAW AND VENUE:

The law of the state of Florida shall govern the Contract between the City and the successful Bidder and any action shall be brought in Miami-Dade County, Florida.

1.53 CLARIFICATION AND ADDENDA TO BID SPECIFICATIONS:

If any person contemplating submitting a Bid under this Invitation for Bid is in doubt as to the true meaning of the specifications or other Bid documents or any part thereof, the Bidder must submit to the City Purchasing Department a request for clarification prior to the deadline for questions. All such requests for clarification must be made in writing and the person submitting the request will be responsible for its timely delivery.

Any interpretation of the Bid, if made, will be made only by Addendum duly issued by the City Purchasing Department. The City shall issue an Informational Addendum if clarification or minimal changes are required. The City shall issue a Form Addendum if substantial changes which impact the technical submission of Bids are required. The City shall issue a Form Addendum if substantial changes which impact the technical submission of Bids are required. A copy of such Addendum will be sent to each Bidder receiving the Invitation for Bid. In the event of conflict with the original Contract Documents, Addendum shall govern all other Contract Documents to the extent specified. Subsequent addendum shall govern over prior addendum only to the extent specified.

1.54 REVIEW OF BID FOR RESPONSIVENESS

Each Bid will be reviewed to determine if the Bid is responsive to the submission requirements outlined in

the IFB. A responsive Bid is one which follows the requirements of the IFB, includes all documentation, is of timely submission, and has the appropriate signature as required on each document. Failure to comply with these requirements may result in a Bid being deemed non-responsive.

1.55 CITY COUNCIL REVIEW

The Purchasing Director will report the result of this IFB to the City Council for final approval in accordance with the City's Procurement Ordinance to enter into Contract negotiations. The City reserves the right to reject all Bids.

1.56 THE CITY OPTIONS

The City may, at its sole and absolute discretion, reject any or all Responses, re-advertise this Solicitation, postpone or cancel this Solicitation process at any time, or waive any irregularities in this Solicitation or in the Responses received as a result of this Solicitation.

The determination of the criteria and process whereby Responses are evaluated, the decision as to who shall receive a Contract award, or whether an award shall ever be made as a result of this Solicitation, shall be the sole and absolute discretion of the City.

In no event will any successful challenger of these determinations or decisions be automatically entitled to the award of this Solicitation.

The submittal of a Bid will be considered by the City as constituting an offer by the Respondent(s) to provide the Services described in this Solicitation.

1.57 AWARD OF AGREEMENT:

Contractor represents and warrants to the City that he/she has not employed or retained any person or company employed by the City to solicit or secure this Agreement and that he/she has not offered to pay, paid, or agreed to pay any person any fee, commission, percentage, brokerage fee, or gift of any kind contingent upon or in connection with, the award of this Agreement.

1.58 RESPONSE SUBMITTAL/ADDENDUMS

All Bids submitted shall include the completed Bid Form and all required product information and any other items as indicated on the Bid Form. Bids will be considered "Non-Responsive" if the required information is not submitted by the date and time specified.

Before submitting a Bid, each Respondent(s) shall make all investigations and examinations necessary to ascertain if any addendums were issued by the Purchasing Department.

1.59 LAWS, PERMITS AND REGULATIONS:

The Bidder shall obtain and pay for all licenses, permits and inspection fees required for this Project; and shall comply with all laws, ordinances, regulation building

code requirements applicable to the Work contemplated herein.

1.60 OPTIONAL CONTRACT USAGE:

Other State agencies, and/or Governmental Entities in the State of Florida may purchase from the resulting Contract. Contractors shall sell these commodities or Services to the other State agencies and/or Governmental Entities in the State of Florida at the agencies' and/or entities option.

1.61 FORCE MAJEURE:

A "Force Majeure Event" shall mean an act of God, act of governmental body or military authority, fire, explosion, power failure, flood, storm, hurricane, sink hole, other natural disasters, epidemic riot or civil disturbance, war of terrorism, sabotage, insurrection, blockade, or embargo. In the event that either party is delayed in the performance of any act or obligation pursuant to or required by the Agreement by reason of a Force Majeure Event, the time for required completion of such act or obligation shall be extended by the number of days equal to the total numbers of days, if any, that such party is actually delayed by such Force Majeure Event. The party seeking delay in performance shall give notice to the other party specifying the anticipated duration of the delay, and if such delay shall extend beyond the duration specified in such notice, additional notice shall be repeated no less than monthly so long as such delay due to a Force Majeure Event continues. Any party seeking delay in performance due to a Force Majeure Event shall use its best efforts to rectify any condition causing such delay and shall cooperate with the other party to overcome any delay that has resulted.

1.62 NON-RESPONSIVE BIDS

Responses found to be non-responsive shall not be considered. Responses may be rejected if found to be in nonconformance with the requirements and instructions herein contained. A Response may be found to be non-responsive by reasons, including, but not limited to, failure to utilize or complete prescribed forms, conditional Responses, incomplete Responses, indefinite or ambiguous Responses, failure to meet deadlines and improper and/or undated signatures.

Other conditions which may cause rejection of Bids include evidence of collusion among Respondents, obvious lack of experience or expertise to perform the required Work, submission of more than one Bid for the same Work from an individual, Respondent(s), joint venture, or corporation under the same or a different name, (also included for Design-Build Projects are those Bids wherein the same Engineer is identified in more than one Bid), failure to perform or meet financial obligations on previous contracts, employment of unauthorized aliens in violation of Section 274A (e) of the Immigration and Nationalization Act, or in the event an individual, Respondent(s), partnership, or corporation is on the United States Comptroller General's List of Ineligible Design-Builder for Federally Financed or Assisted Projects.

Responses will also be rejected if not delivered or received on or before the date and time specified as the due date for submission.

1.63 CONE OF SILENCE

This Solicitation is issued pursuant to the City Section 7-193, City Code, which prohibits certain types of communications: (a) A Cone of Silence shall be imposed upon each RFP, RFQ and IFB after the advertisement of said RFP, RFQ or IFB. At the time of imposition of the cone of silence, the director of the Purchasing Department or designee shall provide for public notice of the cone of silence. The director of the Purchasing Department shall issue a written notice thereof to the affected Departments, file a copy of such a notice with the City Clerk, with the copy thereof to each City Council member, and shall include in any public Solicitation for supplies or Services a statement disclosing the requirements of this ordinance. Notwithstanding any other provision of this section, the imposition of a cone of silence on a particular RFP, RFQ or IFB shall not preclude Purchasing staff from obtaining industry comment or performing market research provided all communication related thereto with a potential offer, service provider, Bidder, lobbyist, or consultant are in writing or are made at a duly noticed public meeting.

The ordinance does not apply to oral communications at pre-solicitation conference, oral presentations before selection committees, Contract negotiations, public presentations made to the City Council during any duly noticed public meeting or communications in writing at any time with any City Council unless specifically prohibited by the applicable IFB or Bid documents. A copy of all written communications must be filed with the City Clerk.

1.64 RESPONDENT(S)'S DISCLOSURE OF SUBCONTRACTORS AND SUPPLIERS

This Solicitation shall require that the Respondent(s) submits with its Response a listing of all first-tier Subcontractors or Sub-consultants who will perform any part of the Contract Work and all suppliers who will supply materials for the Contract Work direct to the selected Respondent(s). **Failure to comply with this requirement shall render the Response non-responsive.** In addition, the selected Respondent(s) shall not change or substitute Subcontractors or suppliers from those listed in the Bid except upon written approval of the City (See "Form A-6").

1.65 BUSINESS ENTITY / RESPONDENT(S) REGISTRATION

The City requires business entities to complete registration application before doing business with the City. Respondents need not register with the City to present a Bid; however, the selected Respondent(s) must register prior to award of a Contract as failure to register may result in the rejection of the Bid. To register, contact the Purchasing Department at (305) 895-9886 or you may download the application (*revised 7/09*) from our website at www.northmiamifl.gov it is the responsibility of the business entity to update and renew

its application concerning any changes such as new address, telephone number, commodities, etc. during the performance of any agreement obtained as a result of this IFB.

1.66 EXCEPTION TO THE SOLICITATION

Respondents may take exceptions to any of the terms of this Solicitation unless the Solicitation specifically states where exceptions may not be taken. Should a Respondent(s) take exception where none is permitted, the Bid will be rejected as non-responsive. All exceptions taken must indicate clearly what alternative is being offered to allow the City a meaningful opportunity to evaluate and rank Responses, and the cost implications of the exception (if any). Where exceptions are taken, the City shall determine the acceptability of the proposed exceptions. The City, after completing evaluations, may accept or reject the exceptions. Where exceptions are rejected, the City may insist that the Respondent(s) furnish the Services or goods described herein or negotiate an acceptable alternative.

All exceptions shall be referenced by utilizing the corresponding section, paragraph and page number in this IFB. However, the City is under no obligation to accept any exceptions. If no exception is stated, the City will assume that the Respondent(s) will accept all terms and conditions.

1.67 PROPRIETARY/ CONFIDENTIAL INFORMATION

Contractor understands that the public shall have access, at all reasonable times, to all documents and information pertaining to City contracts, subject to the provisions of Chapter 119, Florida Statutes, and agrees to allow access by the City and the public to all documents subject to disclosure under applicable law.

Upon receipt, responses become "public records" and shall be subject to public disclosure consistent with Chapter 119, Florida Statutes. Respondents shall invoke the exemptions to disclosure provided by law, in the response to the Solicitation, by providing the specific statutory authority for the claimed exemption, identifying the data or other materials to be protected, and stating the reasons why such exclusion from public disclosure is necessary. Responses will be made available for public inspection at the time the City posts notice of its decision or intended decision concerning contract awards, or thirty (30) days after the response opening, whichever is earlier.

1.68 LOCAL VENDOR PREFERENCE

The evaluation of competitive Solicitations is subject to Section 7-151, City Code which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to local businesses. To satisfy this requirement, the Respondent shall submit in writing its compliance with any two of the following objective criteria (see Form A-3).

A local business shall be defined as:

A business located in the City with a current City business tax receipt issued prior to the City's issuance of the solicitation for supplies or services; and/or

Has at least ten (10) percent of its total workforce residing in the City prior to the City's issuance of the solicitation for supplies or services; or

Subcontracts at least ten (10) percent of the contractual amount of a City project with subcontractors who are physically located within the City (must submit Form A-3(a) as part of the Proposal).

The local business preference is used to assign a preference of ten (10) percent of the total evaluation point, or ten (10) percent of the total price to those Respondents who qualify for this preference.

The Respondent seeking local business preference has the burden to show that it qualifies for the preference, by submitting supporting documentation, to the satisfaction of the City. Failure to do so may result in being considered ineligible for local business preference.

1.69 RULES, REGULATIONS AND LICENSING REQUIREMENTS

The Respondent(s) shall comply with all laws; ordinances and regulations applicable to the Services contemplated herein, especially those applicable to conflict of interest and collusion. Respondent(s) are presumed to be familiar with all Federal, State and Local laws, ordinances, codes, rules and regulations that may in any way affect the goods or Services offered.

1.70 MODIFICATIONS OF RESPONSE

No unsolicited modifications to Responses will be permitted after the date and hour of the Bid opening.

1.71 TRUTH IN NEGOTIATION STATEMENT

Not applicable.

1.72 REVIEW OF SOLICITATIONS

The City will not allow any request for documents or reviews of submittals until thirty days after Responses are received or after an award is announced. After said time, Respondents may request documents or make an appointment to review submittals and presentations.

1.73 LATE SUBMISSIONS

The City will not accept Bids received after opening time and encourages early submittal.

1.74 BID OPENING

Properly received and timely Responses will be announced at the Bid Opening. Responses will be opened in the North Miami Council Chamber located on the Second Floor of City Hall at 776 NE 125th Street North Miami, FL 33161. A list of Respondents shall be placed on the City's website.

1.75 ATTORNEYS' FEES

In the event of any dispute arising under or related to the Agreement, the prevailing party shall be entitled to recover all actual attorney fees, costs and expenses incurred by it in connection with that dispute and/or the enforcement of the Agreement, including all such actual attorney fees, costs and expenses at all judicial levels, including appeal, until such dispute is resolved with finality.

1.76 CONFLICTS OF INTEREST

The City's Conflict of Interest guidelines, provided under Article XI, of the City Code, as amended, shall apply to this Solicitation and Contract. Respondents should be aware, that if awarded a Contract, no person under its employ who presently exercises any functions or responsibilities on behalf of the City in connection with this Solicitation has any personal financial interest, directly or indirectly, with Contractors or Respondents providing professional Services on Work assigned to the Contractor, except as fully disclosed and approved by the City. Contractor shall further be aware that if awarded, in the performance of this Solicitation no person having such conflicting interest shall be employed.

1.77 INSTALLATION SERVICES

The Contractor warrants and accepts that any and all repair Work required during the construction or installation phase, irrespective of the cause, shall be deemed the responsibility of the Contractor at no additional cost to the City.

Finally, the Contractor accepts, understands and agrees that these provisions of the Agreement constitute a material inducement for the City to enter into the Agreement and that the City has indeed relied on these particular provisions in making its decision to enter into the Agreement with Contractor.

1.78 CONTRACTOR RELIANCE ON BUILDING DEPARTMENT

It is understood and agreed by the Contractor that the City Building Department and its inspectors are professionals who are dedicated to providing efficient and courteous service to all residents, professionals, Contractors and the public at large through plans processing, inspections and building maintenance, which ensures the protection of the citizens and enhances the quality of life within the City. For the purposes of this Project, the Building Department is not a surrogate of the City. All decisions by the Building Department as to whether some aspect of the Project is or is not in compliance with the Florida Building Code, Florida Fire Prevention Code and/or any other applicable codes, regulations, laws and ordinances are independent of and not deemed to be an act or a decision by the City. The Contractor agrees that it shall be the responsibility of the Contractor to ensure compliance with all applicable codes, regulations, law and ordinances. The Contractor warrants and accepts that any and all Work necessitated by inspections which is not prescribed in the Plans or Specifications, but necessitated to bring the Project into conformity with the Contract Documents and

all applicable laws, codes, regulations, procedures and/or considered inside the contemplation of the Contract Documents shall be deemed the responsibility of the Contractor at no additional cost to the City.

1.79 CONTRACTOR OBLIGATIONS

The Contractor warrants that any and all Work, materials, Services or equipment that may reasonably be inferred from the Contract Documents as being required to produce the intended result, will be supplied by the Contractor at its own cost, whether or not specifically called for.

The Contractor warrants and accepts that any and all Work, materials, Services or equipment necessitated by the inspections of City and/or County agencies, or other regulatory agencies as are applicable, to bring the Project into conformity with the Contract Documents and all applicable laws, codes, regulations, procedures, or considered inside the contemplation of the Contract Documents, shall be deemed the responsibility of the Contractor at no additional cost to the City.

1.85 EEOP UTILIZATION REPORT

Manual will be provided upon request.

1.86 COMMUNITY BENEFITS PLAN

The awarded Respondent(s) may be required to provide "Community Benefits Plan" which outlines, in accordance with Section 7-151 of the City's Code of Ordinances, the Respondent's proposal to incorporate local workforce initiatives as part of their Proposal. The City reserves the right to accept and/or request modifications to the proposed Plan in accordance with the City's best interest.

The awarded Respondent(s) shall be monitored by the City to ensure compliance with the proposed local workforce training and hiring efforts agreed to by the City. Failure to comply with the agreed to Community Benefits Plan shall result in breach of contract and may lead to termination of contract by the City.

END OF SECTION

2.3 PRE-BID CONFERENCE

Intentionally Omitted

2.4 TERM OF CONTRACT

The initial term of the Contract shall be for a one (1) year commencing on the date of award by City Council.

2.5 OPTION TO RENEW

The City Manager or duly authorized designee reserves the sole option to renew this Contract for two (2) additional one (1) year periods. Each renewal of this Contract is contingent upon approval by the City Manager or his authorized designee and continued satisfactory performance by the Firm in accordance with the Scope of Work stated herein.

2.6 PRICES SHALL BE FIXED AND FIRM FOR TERM OF CONTRACT:

If the Bidder is awarded a contract under this bid solicitation, the prices quoted by the Bidder on the Bid Form shall remain fixed and firm during the term of this contract; provided, however, that the Bid may offer incentive discounts from this fixed price to the City at any time during the contractual term.

2.7 METHOD OF AWARD

The City intends to award this Contract to the lowest responsive and responsible Bidder(s) whose price, experience and qualifications proves to be the most beneficial to the City. The City reserves the right to reject low Bids, to waive irregularities and/or inconsistencies in any Bid, and to award this Contract in a manner deemed to be in the City's best interest.

2.8 MINIMUM QUALIFICATION

To be considered eligible for this Solicitation, the Respondent must demonstrate that it meets the qualifications and has the experience, capacity and resources to successfully execute this Project. Any Bidder that fails to meet all the following requirements may be deemed "NON-RESPONSIVE". As part of their bid proposal, Bidders must submit documentation that demonstrates compliance with the following criteria:

- a. Bidders must be licensed to do business in the State of Florida. Please submit Sunbiz report with your company registered as active.

Bidders submitting proposals as joint ventures shall submit a fully executed copy of their joint venture agreement. The joint venture must also comply and submit evidence of being licensed to do business in the State of Florida in order to be considered for this project.

- b. Bidders must be licensed in the State of Florida at the time of Bid submittal and shall submit copies of the following:

- c. Provide documentation that demonstrates the Bidder has a minimum of five (5) years of experience as a General Contractor in the State of Florida.
- d. **References:** The Respondent must provide at least three (3) references of clients for which it has performed work similar in scope to the project described in this Solicitation, within the past five (5) years as the prime contractor. If available, such references should be for projects performed on behalf of public/government agencies located within the State of Florida. References must be submitted on contract Form A-14 listed under the Table of Contents.

NOTE: Please be advised that it is the sole responsibility of each Bidder to provide accurate and up to date information regarding references. In the event that the City is unable to either verify the project information submitted or if the information is incorrect, the Bidder may be deemed NON-RESPONSIVE.

2.9 INDEMNIFICATION AND INSURANCE

Respondents must submit with their Responses, proof of insurance meeting or exceeding the following coverage or a letter of intent to provide the following requirements if awarded a Contract:

2.9.1 COMMERCIAL GENERAL LIABILITY

With minimum limits of **\$1 Million** per occurrence for bodily injury and property damage. This coverage shall also include personal, advertising injury and medical expense Commercial General Liability Insurance – preferably written on an occurrence form with \$1,000,000 for each occurrence, to include contractual liability, personal & advertising injury, and products/completed operations.

2.9.2 COMMERCIAL AUTOMOBILE LIABILITY

With minimum limit of \$1 Million, covering any auto including non-owned, hired or leased.

2.9.3 WORKER'S COMPENSATION

As required by the State of Florida with statutory limits, and Employer's Liability with a minimum limit of \$1,000,000 per accident for bodily injury or disease.

Both Commercial General and Automobile Liability insurance policies shall name the City of North Miami as "additional insured". All insurance required herein shall be written as primary policies, not contributing to or in excess of any coverage that the City may carry.

All insurance policies required by the Contract shall be maintained in full force and effect the latest rating publication for Property and Casualty Insurers such as A.M. Best Company (or its equivalent). All insurers must be lawfully admitted to conduct business within the State of Florida. Required insurance coverage must be approved by the City's Risk Manager prior to signing of Contract. Contractor may produce any insurance under a "blanket" or "umbrella" insurance policy, provided that such policy or a certificate of such policy specify the amount(s) of the total insurance allocated to this Contract. Coverage limits shall equal or exceed the amount(s) required by this agreement and shall not be reduced for claims made on other projects undertaken by Contractor.

The Contractor must submit, prior to signing of Contract, a Certificate of Insurance naming the City as additional insured for Commercial General Liability and Auto Liability Insurance. Contractor shall guarantee all required insurances remain current and in effect throughout the term of Contract.

Contractor shall indemnify and hold harmless the City and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the City or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of an Agreement by the Contractor or its employees, agents, servants, partners principals or Subcontractors.

Contractor shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the City, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon.

Contractor expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by Contractor shall in no way limit the responsibility to indemnify, keep and save harmless and defend the City or its officers, employees, agents and instrumentalities as herein provided.

The Contractor must submit, no later than ten (10) days after award and prior to Execution of Contract, a Certificate of Insurance naming the City of North Miami as additional insured.

2.10 LIQUIDATED DAMAGES

Bidders are placed on notice that failure to achieve Final Completion of each assigned Task Order within the agreed to schedule shall authorize the City to charge and deduct from the Contract amount owed to the awarded Bidder a daily amount of \$100.00 from any compensation due to the Contractor as liquidated damages for each and every day which exceeds the deadline for completion.

As an alternative to liquidated damages, the City may instead notify the Contractor to cease work and proceed to complete the work in the manner deemed most appropriate by the City. The total cost incurred by the City to complete the project including, but not limited to, the cost of materials, rent, labor, equipment, supervision and overhead shall be deducted from the originally awarded Respondent's contract and any overage shall be charged to the Contractor.

2.11 CONTACT PERSON:

For any additional information concerning procedures for responding to this Solicitation, Contact the Purchasing Department via email at purchasing@northmiamifl.gov. Such Contact is to be for clarification purposes only. Any questions or requests for clarifications pertaining to the specifications or Scope of Work of this Invitation for Bid must be submitted in writing by email. The Bid number and Bid title must be included on all correspondence. All Responses to questions or clarifications will be addressed by written addendum to the Bid. No questions will be received verbally or after said deadline.

2.12 LOCAL PREFERENCE:

This RFQ is issued in accordance with the City of North Miami Code of Ordinances Sec. 7-151, which states that preference be given to local businesses, in the form of ten percent (10%) of the total evaluation points or ten percent (10%) of the total bid price. Respondents must submit Forms A-3 and A-3(a) (if applicable) with their submittal to receive local preference. **Failure to submit required documentation may render the Respondent ineligible for local preference.**

2.13 TIE BIDS:

In accordance with the City Code of Ordinances Sec. 7-162, regarding identical tie Bids, preference will be given to local vendors. If none of the vendors are local, a public drawing of lots will be held.

2.14 NON-EXCLUSIVITY CLAUSE:

If a Contract is awarded as a result of this Invitation for Bid, the Contract shall be non-exclusive and shall not in any way preclude the City from entering into similar agreements and/or arrangements with other vendors or from acquiring similar, equal or like goods and/or services from other entities or sources including state Contractors.

2.15 BID BOND AND PERFORMANCE & PAYMENT BONDS

All proposals must be accompanied by a bid bond of 5% of \$250,000 (i.e. approximately 50% of the budget for this contract) submitted by the Respondent and the awarded Respondent(s) shall be required to provide the City with performance and payment bonds for 100%, also based on a total amount of \$250,000, within ten (10) calendar days of award. Moreover, all bonds must be executed by a surety company authorized to do business in the State of Florida and that complies with the requirements of Florida Statutes 287.0395.

In lieu of submitting a bid bonds, as well as performance and payment bonds, the Bidder may submit money orders, certified checks, cashier's checks or irrevocable letters of

credit, made payable to the City of North Miami, in the appropriate dollar amount of the bid bond and/or performance and payment bonds. If an irrevocable letter of credit is used, it must be issued by a bank located in Miami-Dade County for the requisite dollar amount and should clearly state that it cannot be revoked until express written approval has been given by the City. To draw on same, the City would simply have to give written notice to the bank with a copy to the awarded Bidder.

2.16 FAILURE TO PERFORM

If in the opinion of the City's representative, the Contractor refuses to begin Work, improperly performs said Work, or neglects or refuses to take out or rebuild such Work, as shall have been rejected or as being defective or unsuitable, then City's representative may notify the Contractor to repair and replace Work immediately or discontinue all Work under Contract.

If at any time the City's representative is of the opinion that the Work is being unnecessarily delayed and will not be finished within the prescribed time, then City's representative may notify the Contractor to discontinue all Work under Contract. The Contractor shall immediately respect said notice and stop all Work and cease to have any rights to the possession on the Worksite and shall forfeit the Contract.

The City may thereupon look to the next lowest and responsive and responsible Bidder to complete the Work or re-advertise for Bids and let a Contract for the uncompleted Work in the same manner, and charge the cost thereof to the original Respondent(s) under Contract. Any excess cost arising therefore over and above the original Contract Price shall be charged to the Respondent(s).

2.17 METHOD OF PAYMENT: PHASED PAYMENTS FOR WORK COMPLETED

The City shall provide partial payments for Work completed by the Contractor during various phases of the Work assignment. The Respondent(s) shall provide fully documented invoices, which indicate, in addition to the basic information set forth below, the time and materials provided to the City user Department(s) that requested the Work through a purchase order. It shall be understood that such invoices shall not be authorized for payment until such time as a City representative has inspected and approved the completed phase of the Work assignment. The percentage or component of completed Work which corresponds to the acceptable payment schedule shall be as follows:

All invoices shall contain the following basic information:

2.17.1 CONTRACTOR INFORMATION:

- The name of the business organization as specified on the Contract between City and Contractor
- Date of invoice
- Invoice number
- Contractor's Federal Identification Number on file with the State

2.17.2 CITY INFORMATION:

- City Purchase Order Number

2.17.3 PRICING INFORMATION:

- Unit price of the goods, services or property provided

- Extended total price of the goods, services or property
- Applicable discounts

2.17.4 GOODS OR SERVICES PROVIDED PER CONTRACT:

- Description
- Quantity

2.17.5 DELIVERY INFORMATION:

- Delivery terms set forth within the City Purchase Order
- Location and date of delivery of goods, services or property

2.17.6 FAILURE TO COMPLY:

- Failure to submit invoices in the prescribed manner will delay payment.

Payment shall be made in accordance with section 218.735 of the Florida Statutes.

Payment will not be made no more than once a month, unless approved by the Public Works Department. Compensation may be made to the Bidder up to ninety percent (90%) for the work completed in each payment request submitted. Retainage will be kept until final completion and acceptance of project.

The City will pay the contract price minus any liquidated damages, back charges and/or other damages to the Bidder upon final completion and acceptance.

2.18 COMPLETION TIME:

The City seeks a contractor that will provide accurate and timely completion. The awarded Bidder(s) must adhere to the completion schedule established by the City for each Task (work) order. If, in the opinion of the City's project manager, the successful Bidder(s) fails at any time to meet the requirements herein, including completion requirements, then the contract may be cancelled upon written notice.

2.19 FEDERAL AND STATE REGULATIONS

The Contractor shall comply with all applicable federal, state and local rules and regulations that would apply to the provision of Services which may include those from the Florida Department of Transportation (FDOT), Florida Building Code, and Miami-Dade County Design Standards.

2.20 ACCIDENT PREVENTION AND BARRICADES

Precautions shall be exercised at all times for the protection of persons and property. All Contractors performing Services under Contract shall conform to all relevant OSHA, State and City regulations during the course of such effort. Any fines levied by the above mentioned authorities for failure to comply with these requirements shall be borne solely by the Contractor. Barricades shall be provided by the Contractor when Work is performed in areas traversed by persons, or when deemed necessary by the City Project Manager.

Contractor shall assume full responsibility for any damage to any mangroves, land or areas or to the owner or occupant of any contiguous land, areas, or property resulting from the performance of Services.

Contractor shall cause a minimum of inconvenience to the public and to local business activities and shall ensure that the public roadways and any improvements or appurtenant in the vicinity of a Worksite, remain open to the public whenever and wherever possible.

Contractor shall at all times, during the performance of Services, keep the Worksite free and clear of all rubbish and debris. Any material or waste generated by Contractor or its employees, agents and Subcontractors shall be removed and disposed of by the Contractor at its expense, to the satisfaction of the City.

In the event Contractor fails to remove all rubbish, debris, materials and waste from the Worksite, the City may employ labor and equipment necessary to clear the site and charge Contractor for the City's cost incurred cleaning the site.

Contractor shall notify the City in writing, of any pre-existing damage to surrounding roadways, swales and improvements prior to commencing any Work. Failure to notify the City of any damage shall result in the Contractor's duty to repair the damage at no additional expense to the City.

Contractor shall restore in an acceptable manner or replace all property, both public and private, which has been displaced or damaged by the Contractor during the performance of Services. Contractor shall leave the Worksite unobstructed and in a neat and presentable condition. The term "property" shall include, but is not limited to, roads, sidewalks, curbs, driveways, walls, fences, landscaping, awnings, utilities, footings and drainage structures.

Contractor shall maintain suitable and sufficient guards, barriers and lighting for the prevention of accidents. The Contractor shall comply with all applicable minimum safety standards required by local, county, state and federal regulations.

2.21 CONDITIONS OF WORK

If property (public or private) is damaged performing work specified or is removed for the convenience of the work, it shall be repaired or replaced at the expense of the Respondent(s) in a manner acceptable to the City of North Miami. Such property shall include but is not limited to: roads, driveways (whether concrete or asphalt), approaches (whether concrete or asphalt), sod, walls, fences, water features, footings, underground utilities, shrubs, trees, etc.

Respondent(s) shall submit to the Public Works Department for review, pictures or video of the work site(s) having pre-existing damage to roadways, driveways, approaches, sod, swales, adjacent improvements, etc. before beginning work. Failure to do so shall obligate the Respondent(s) to make repairs per the above paragraph.

Respondent(s) shall notify the Public Works Department of any pre-existing damage to tree trunks or limbs before beginning work. Failure to do so shall obligate the Respondent(s) for tree removal, and canopy replacement as per DERM codes, ordinances or resolutions.

2.22 CLEAN UP

All unusable materials and debris shall be removed from the premises at the end of each

workday, and disposed of in an appropriate manner. Upon final completion, the Contractor shall thoroughly clean up all areas where Work was done as mutually agree with the Project manager.

2.23 MATERIALS SHALL BE NEW AND WARRANTED AGAINST DEFECTS

The Contractor hereby acknowledges and agrees that all materials, except where recycled content is specifically requested, supplied by the Respondent(s) in conjunction with this Bid and resultant Contract shall be new, warranted for their merchantability, and fit for a particular purpose. In the event any of the materials supplied to the City by the Respondent(s) are found to be defective or do not conform to specifications:

2.23.1 The materials may be returned to the Contractor at the Contractor's expense and the Contract cancelled or

2.23.2 The City may require the Contractor to replace the materials at the Contractor's expense.

2.24 WARRANTY SHOULD BE SUPPLIED IN WRITTEN FORM

2.24.1 TYPE OF WARRANTY COVERAGE REQUIRED

The Respondent(s) shall provide a copy of its written warranty certificates with its initial offer, or upon request from the City. Failure to meet this requirement may result in the offer being deemed non-responsive. The warranty supplied by the Respondent(s) shall remain in force for the full period identified by the Respondent(s); regardless of whether the Respondent(s) is under Contract with the City at the time of defect. Any payment by the City on behalf of the goods or Services received from the Respondent(s) does not constitute a waiver of these warranty provisions.

2.24.2 CORRECTING DEFECTS COVERED UNDER WARRANTY

The Respondent(s) shall be responsible for promptly correcting any deficiency, at no cost to the City, within 7 calendar days after the City notifies the Contractor of such deficiency in writing. If the Contractor fails to satisfy the warranty within the period specified in the notice, the City may;

(a) Place the Contractor in default of its Contract, and/or

(b) Procure the products or Services from another source and charge the Contractor for any additional costs that are incurred by the City for this Work or materials; either through a credit memorandum or through invoicing.

2.25 GUARANTEE AGAINST DEFECTS SHALL BE ONE (1) YEAR

The Respondent(s) shall, in addition to all other guarantees, be responsible for faulty labor and defective material and equipment within a period of one (1) year after date of acceptance of the labor, material and/or equipment by the City with 45 calendar days to correct deficiencies. The Respondent(s) shall promptly correct these deficiencies, without cost to the City, within 180 calendar days after the City notifies the Respondent(s) of such deficiencies in writing. Payment in full for the Work does not constitute a waiver of guarantee.

2.26 PROTECTION

The awarded Bidder shall be solely responsible for pedestrian and/or vehicular safety and guidance within the work site and shall provide the necessary warning devices, barricades and ground personnel needed to give safety, protection and warning to persons and vehicular traffic within the area (i.e. Maintenance of Traffic). All safety devices must have suitable and sufficient lighting for the prevention of accidents and must meet the minimum standards mandated by Federal, State and local laws and regulations during all times until the project is completed and accepted by the City.

2.27 HOURS OF WORK & EMPLOYEE CONDUCT

The awarded Bidder may only perform work from Monday through Friday, 7:30 a.m. to 5:00 p.m., excluding holidays, unless otherwise permitted in the contract documents or when prior written approval is granted by the City.

The awarded Bidder shall ensure that all personnel assigned to work on this project on their behalf must be dressed appropriately and clean at all times. Any person who is present on the job site on behalf of the Bidder must be provided and display on their clothing proper identification at all times.

All employees of the awarded Bidder shall be considered to be sole employees of the contactor at all times under the Bidder's sole direction and not an employee or agent of the City of North Miami. Moreover, the Bidder shall be solely responsible for the conduct and behavior of all persons working on their behalf on this project and the City may require the Bidder to remove any person it deems careless, incompetent, insubordinate or otherwise objectionable and whose presence on City property is not in the best interest of the City.

The awarded Bidder shall have present an "On Duty" supervisor at the job site who speaks and reads English at all times throughout the course of the project.

2.28 SITE INSPECTION AND DUE DILLIGENCE

Bidders are required to visit the project site and become familiar with any conditions which may affect the work to be done or affect the equipment, materials and labor required to successfully complete the project, prior to submitting their bid. Moreover, Bidders are also obligated to carefully examine the project specifications and exercise due diligence regarding any and all pre-existing conditions at the project site which may in any manner affect the work to be performed under the Contract. No additional allowances shall be made due to the Bidder's lack of knowledge of the project requirements and site conditions.

The awarded Bidder shall be responsible for inspecting and documenting the pre-existing conditions of the project site. Any damage to public and/or private property resulting either directly or indirectly from the execution of the project by the awarded Bidder shall be repaired or replaced at the sole expense of the Bidder in a manner acceptable to the City. Such properties may include, but is not limited to, roads, driveways, sod, walls, underground utilities, trees, landscaping, etc.

Prior to the commencement of Work, the awarded Bidder shall submit to the appropriate City staff photographs and/or video recordings of any pre-existing damage to the

roadways, driveways, tree trunks or limbs, approaches, sod, facilities, utilities and ancillary improvements located at the project site and/or any surrounding areas to be accessed and/or utilized by the Bidder. Failure to properly document such pre-existing conditions and to submit said documentation as required, may render the Bidder liable to repair any such damage at no expense to the City.

2.29 RETAINAGE

In order to ensure the awarded Contractor's complete and satisfactory performance of its duties under this Contract, the City shall withhold an amount of up to ten percent (10%) of each payment request submitted by the Contractor (i.e. the Contract retainage). Each payment request submitted by the Contractor shall specify the amount of retainage attributable to, and to be withheld from, amounts due from the City for each invoice.

Notwithstanding the above, at such time as the Project is deemed by the City to be at least fifty percent (50%) complete, the City shall reduce to five percent (5%) the amount of retainage withheld from each subsequent progress payment made to the Contractor. For purposes of this section, the term "50-percent completion" has the meaning set forth in the contract between the City and the awarded Contractor or, if not defined in the contract, the point at which the City has expended at least fifty percent (50%) of the total cost of the construction services purchased under the Contract, together with all costs associated with existing change orders and other additions or modifications to the construction services provided for under the Contract.

Release of any portion of retainage held by the City shall take place upon written request by the Contractor and in accordance with State of Florida statutory provisions. The final five percent (5%) of the total Contract value shall only be released at the time of Final Payment following acceptance by the City of project completion, correction of all incomplete or defective work by the Contractor and satisfaction of any damages incurred by the City as a result of the Contractor's failure to satisfactorily complete the work

2.30 ACCEPTANCE OF WORK BY THE CITY

The Work to be provided hereunder shall be provided to the City, in full compliance with the specifications and requirements set forth in the Contract. If any portion of the Work is determined to not meet the specifications and requirements in the Contract, either prior to acceptance or upon initial inspection, the Work shall be redone at Contractor's expense. At the City's own option, the Contractor shall either provide a direct replacement, or provide a full credit for the returned Work. The Contractor shall not assess any additional charge(s) for any conforming action taken by the City under this clause.

2.31 NOTICE TO PROCEED

The Respondent(s) shall neither commence any Work, nor enter premise Worksite, until a Task Order (Purchase Order) is issued and a written Notice to Proceed (NTP) directing the Respondent(s) to proceed with the Work has been received by the Respondent(s) from City Project Manager or an authorized City representative provided however, that such notification shall be superseded by any emergency Work that may be required in accordance with the provisions included elsewhere in this Bid and resultant Contract.

2.32 COMPLIANCE WITH FEDERAL STANDARDS

All items to be purchased under Contract shall be in accordance with all governmental standards, to include, but not be limited to, those issued by the Occupational Safety and Health Administration (OSHA), the National Institute of Occupational Safety Hazards (NIOSH), and the National Fire Protection Association (NFPA).

2.33 DEFICIENCIES IN WORK TO BE CORRECTED BY THE RESPONDENT(S)

The Respondent(s) shall promptly correct all apparent and latent deficiencies and/or defects in Work, and/or any Work that fails to conform to the Contract documents regardless of Project completion status. All corrections shall be made within seven (7) calendar days after such rejected defects, deficiencies, and/or non-conformances are verbally reported to the Respondent(s) by the City's Project Manager, who may confirm all such verbal reports in writing. The Respondent(s) shall bear all costs of correcting such rejected Work. If the Respondent(s) fails to correct the Work within the period specified, the City may, at their discretion, notify the Respondent(s), in writing, that the Respondent(s) is subject to contractual default provisions if the corrections are not completed to the satisfaction of the City within seven (7) calendar days of receipt of the notice. If the Respondent(s) fails to correct the Work within the period specified in the notice, the City shall place the Respondent(s) in default.

2.34 LABOR, MATERIALS AND EQUIPMENT SHALL BE SUPPLIED BY THE CONTRACTOR

Unless otherwise provided in this Bid the Contractor shall furnish the following, including but not limited to, all labor, material, equipment, barricading, adequate supervision, and coordination for satisfactory Contract performance. When not specifically identified in the technical specifications, such materials and equipment shall be of a suitable type and grade for the purpose stated in this Solicitation. All materials, Services, workmanship, and equipment shall be subject to the inspection and approval of the City's Project Manager.

2.35 LICENSES, PERMITS AND FEES

The Contractor shall obtain and pay for all licenses, permits and inspection fees required for this Project; and shall comply with all laws, ordinances, regulations and building code requirements applicable to the Work contemplated herein. Damages, penalties and or fines imposed on the City or the Contractor for failure to obtain required licenses, permits or fines shall be borne by the Contractor.

2.36 OMISSION FROM THE SPECIFICATIONS

The apparent silence of this specification and any addendum regarding any details or the omission from the specification of a detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail, and that only materials and workmanship of first quality are to be used. All interpretations of this specification shall be made upon the basis of this agreement.

2.37 SUB-CONTRACTORS OF WORK SHALL BE IDENTIFIED

The Contractor shall perform the Work with its own organization, amounting to not less than **seventy (70%)** of the Work performed.

The Respondent(s) is required to identify any and all Subcontractors and/or suppliers that will be used in the performance of the proposed Contract.

2.38 WAIVER OF IRREGULARITIES

The City Manager may waive minor informalities or irregularities in Bids received where such is merely a matter of form and not substance, and the correction or waiver of which is not prejudicial to other Respondents. Minor irregularities are defined as those that will not have an adverse effect on the City's interest and will not affect the price of the Bids by giving a Respondent(s) an advantage or benefit not enjoyed by other Respondents.

2.40.1 In no event will any such elections by the City Manager be deemed to be a waiving of the Project criteria.

2.40.2 The Respondent(s) who is selected for the Project will be required to fully comply with the Project criteria for the Price Bid, regardless that the Solicitation may have been based on a variation from the Project criteria.

2.40.3 Respondents shall identify separately all innovative aspects as such in the technical Solicitation. Innovation should be limited to Respondent(s)'s means and methods, approach to Project, use of new products, and new uses for established products

2.39 COMPLETE PROJECT REQUIRED

These specifications describe the various items or classes of Work required, enumerating or defining the extent of some, but failure to list any items or classes under scope of the several sections shall not relieve the Bidder(s) from furnishing, installing or performing such Work where required by an part of these specifications, or necessary to the satisfactory completion of the Project.

2.40 BID SUBMITTAL

All Bids shall include the completed Bid Form and all required product information and any other items as indicated on the bid Form. Bids will be considered "Non-Responsive" if the required information is not submitted by the date and time specified.

Before submitting Bid, each Bidder shall conduct all investigations and examinations necessary to ascertain if any addendums were issued by the Purchasing Department.

2.41 CLARIFICATION AND INQUIRIES

Any questions or clarifications regarding this Solicitation shall be submitted in writing to the Purchasing Department via email at purchasing@northmiamifl.gov. Contractor(s) must clearly understand that the only official answer or position of the City will be the one received in writing.

The Solicitation number and title shall be referenced on all correspondence, be sure to include the page and paragraph number for each question in order to ensure that questions asked are responded to correctly. All questions must be received no later than the time and date specified in the Bid Timetable section. All responses to questions/clarifications will be sent to all prospective Respondents in the form of an addendum. **NO QUESTIONS WILL BE RECEIVED VERBALLY OR AFTER SAID**

DEADLINE. Addendum(s) will be made available on the City's webpage and it is the Respondent(s)'s sole responsibility to assure receipt of all (if any) addenda(s).

END OF SECTION

SECTION 3.0 SCOPE OF SERVICES / TECHNICAL SPECIFICATIONS

3.1 SCOPE OF WORK

The City has issued this Solicitation to secure qualified, licensed and experienced Contractor(s) to provide sidewalk replacement & installation Services. Installation should include all labor, materials, Maintenance of Traffic ("MOT"), root pruning, sprinkler/driveway repairs, and restoration of all the areas abutting the new or repaired sidewalks.

3.2 LOCATION

All sidewalk repairs and/or installation will be based on Task Order (Work Order) assigned by the City.

3.3 NEW SIDE WALK INSTALLATIONS

Install new sidewalks where none are currently present.

3.4 REPLACEMENT SIDEWALK

Replace damaged sidewalks, which may be broken, or uplifted by tree roots.

3.5 CLEARING AND GRUBBING

Take all reasonable precautions to prevent damage outside Project right of way. Clearing and grubbing shall be strictly limited to areas designated in the plans. Construction fencing shall be utilized at property lines as necessary to ensure Work is confined to areas designated for the Work.

Prior to clearing, demolition, or other construction activities, protective barriers shall be constructed, as necessary, and inspected by the City to prevent the destruction or damaging of regulated trees that are located within 15 feet of any construction activity or storage of equipment and materials.

3.5.1 PROTECTION

Protective barriers shall be plainly visible and shall create a continuous boundary around trees or vegetation clusters in order to prevent encroachment by machinery, vehicles or stored materials. Barricades must be at least three feet tall and must be constructed of either wooden corner posts at least two by four inches buried at least one foot deep, with at least two courses of wooden side slats at least one by four inches with colored flagging or colored mesh attached, or constructed of one-inch angle iron corner posts with brightly colored mesh construction fencing attached.

Protective barriers shall be placed as follows:

- At or outside the drip line for all trees.
- At a minimum of two-thirds of the area of the drip line for all other regulated species.
- Where roots greater than one inch in diameter are damaged or exposed, they shall be cut cleanly and re-covered with soil.

Protective barriers shall remain in place and intact until such time as landscape operations begin or construction needs dictate a temporary removal that will not harm the tree.

No building materials, machinery or harmful chemicals shall be placed within protective barriers defined in this section, except short-duration placements of clean fill soil that will not harm the tree. Such short-duration placements shall not exceed 30 days. The original soil grade that existed within the protected areas prior to the placement of such fill shall be restored.

Attachments to trees are prohibited. No attachments or wires other than those of a protective and non-damaging nature shall be attached to any tree.

3.5.2 **INSPECTIONS**

The City shall conduct periodic inspections of the site before Work begins and/or during clearing, construction and/or post-construction phases in order to ensure compliance with City regulations and with the intent of this IFB.

Ensure that, except as specified otherwise in the Contract Documents, the Contractor takes ownership of, and disposes of all removed materials.

3.5.3 **APPROVAL**

Approval from the City Manager is required for any deviations from this section.

3.6 **MAINTENANCE OF TRAFFIC**

The Maintenance of Traffic (“MOT”) shall conform to the requirements of the Florida Department of Transportation (“FDOT”). It shall be the duty of the Contractor(s) to ensure that the MOT meets the requirements of the FDOT Standard Index, 600 Series.

The Contractor(s) is to implement the Traffic Control Plan specifically designed for the Project (or an approved Alternate Plan as described in the FDOT Standard Specifications). However, it is not the intent of the Traffic Control Plan in the drawings to show the exact quantity and location of all of the traffic control signs and devices that may be required to accommodate the Contractor’s equipment and methods. It is the Contractor’s responsibility to account for any additional traffic control that may be required to meet the standards of safe practices.

The Contractor(s) shall supply whatever MOT is necessary to provide protection to both the workers on the job site and the public utilizing the adjacent public facilities. When the

Contractor(s) is working adjacent to the travel lanes, the Contractor shall provide an adequate buffer zone between workers and motor vehicles.

The Contractor(s) shall furnish and set up all MOT equipment and devices. The Contractor shall also be responsible for the maintenance and daily inspection of the MOT.

The Contractor(s) is to provide a Certified Worksite Traffic Supervisor in accordance with FDOT Standard Specifications (Section 102 and 105). The Contractor(s) shall provide the City with a copy of the certification(s) upon request. No Work shall begin until the MOT is set up and satisfactorily inspected by the Worksite Traffic Supervisor.

The Contractor(s) shall submit and obtain an MOT Permit from the City for all traffic control initial set ups or plan changes. Allow a minimum of 14 days for approval of major set ups or plan changes and 7 days for minor set ups or plan changes. No closures will be set up without approval from City.

3.7 EROSION AND SEDIMENT CONTROL

The Contractor(s) is responsible for erosion, sediment, and water turbidity control practices during construction to control on-site erosion/sedimentation and to protect against damage to off-site property. This includes preventing the placement of sediment and the discharge of turbid waters into natural surface waters via stormwater sewer systems or overland flow. The Contractor shall, at a minimum, employ the following practices:

- 3.7.1 Erosion and sediment control devices shall be installed and inspected by the Contractor, and approved by City staff, before any clearing and grubbing, demolition and/or grading activities commence. Copies of the Contractor's inspection reports and Stormwater Pollution Prevention Plan (SWPPP) shall be available for review on-site at all times.
- 3.7.2 Erosion, sediment, and turbidity control are the responsibility of the Contractor. These delineated measures are the minimum required, with additional controls to be utilized as needed, dependent upon actual site conditions and construction operation.
- 3.7.3 The Contractor shall secure the services of Certified Florida Stormwater Erosion and Sedimentation Control Inspector(s) to supervise erosion, sediment, and turbidity control plans to ensure compliance with the Clean Water Act requirements. The Contractor shall provide the Engineer with a copy of the certification(s) prior to the beginning of the Work.
- 3.7.4 All erosion, sediment and turbidity control measures shall be maintained in working order throughout the construction phase. The Contractor shall inspect and repair as necessary the erosion/sedimentation protection at the end of each working day. The Contractor will alter or increase the control measure as necessary to meet the control requirements.
- 3.7.5 Erosion, sediment and turbidity control shall be placed by the Contractor prior to site excavation and shall remain in place until site vegetation, landscaping and construction is complete. All areas to be covered with hydroseed or sod shall have the hydroseed or sod placed as soon as is reasonably possible.

- 3.7.6 Disturbed areas graded either directly or indirectly toward the stormwater system, natural waterways or offsite shall be protected by covering the exposed area with an impervious fabric, hydroseed, or sod. The protection will be left in place when Work is not directly required in that area.
- 3.7.7 Sediments, whether caused by rainfall, wind, or the construction processes, which lay on sidewalks, driveways, or roadways within the limits of this Project, must be immediately removed, through mechanical means, manual means or a combination thereof.
- 3.7.8 All stormwater sewer system inlets shall have sediment inflow prevention facilities in place as per FDOT standards throughout the construction phase.
- 3.7.9 The discharge of sediment-laden water from newly graded areas directly into waterways is strictly prohibited.

3.8 EARTHWORK

Earthwork materials must be supplied from FDOT approved sources. Identify the borrow pits and/or aggregate sources being used. The Contractor shall provide a proctor density for all backfill materials. If on-site material is to be used in a backfill operation, City inspection staff shall decide where Proctor density samples are to be taken. Backfill compaction shall be density-tested per FDOT specifications by the Contractor, and all proctor and density reports shall be submitted to the City prior to approval for payment. Material used for embankment shall not contain muck, Stumps, roots, brush, vegetable matter, rubbish or other Material that does not compact into a suitable roadbed. Without thick lift approval, lift thickness for embankment must be 6 inches or less, compacted thickness, for the full embankment width. Where thick lifts are demonstrated and approved, maximum lift thickness may not exceed 12 inches compacted thickness.

3.9 STORMWATER SYSTEM

- Structures and pipe shall be manufactured by an FDOT approved source.
- Shop drawings shall be submitted and approved by the City for all structures and pipes.
- All structures and pipe shall be stamped by the manufacturer. City staff shall inspect the condition of all structures and pipes prior to installation.
- City staff shall inspect all structures and pipes prior to backfilling to ensure proper line, grade and joint tolerances.
- The Contractor shall provide a Proctor density for all backfill materials. If on site material is to be used in the backfill operation, City inspection staff shall decide where Proctor density samples are to be taken.
- Backfill compaction shall be density tested per FDOT specifications by the Contractor, and all proctor and density reports shall be submitted to the City prior to approval for payment.

- City staff shall inspect structures before and after inverts are poured.
- City staff shall inspect all retention/detention basins before sodding and/or seeding.
- Contractor to flush out storm water drainage system before completion of Work.
- The Contractor shall provide the City with an as-built survey of the storm water structures, prepared by a registered land surveyor.

3.10 STABILIZED SUBGRADE, TYPE B

After organics are removed and the sub grade material is within two inches (2") of final grade, an inspection shall be performed to evaluate the presence of unsuitable materials or other inconsistencies before mixing. The Contractor shall supply the necessary tools, labor and/or equipment to dig test holes.

After mixing, the sub grade shall be inspected by City staff to determine LBR sample locations and to ensure proper depth and uniformity of mix.

The sub grade shall be inspected for proper grade and densities. Certified LBR and density reports shall be submitted prior to approval for payment.

3.10.1 APPROVAL

Contractor shall provide material from FDOT approved sources and obtain the engineer's approval of the source of supply.

All base delivery tickets shall contain the approved pit/source information, and be available for review on site and submitted to the City prior to approval for payment.

Base inspections shall be performed to ensure proper grade, finish, and densities. If two (2) lifts are required, each lift shall be inspected separately.

Compaction shall be density tested by the Contractor and all density reports shall be submitted to the City prior to approval for payment.

The base shall be inspected once final grade has been established, but prior to paving.

The Contractor shall provide a written paving schedule a minimum of two (2) weeks prior to the start of paving operations.

3.11 ASPHALT CONCRETE

Asphalt mixes shall be FDOT approved and from an FDOT approved supplier. Documentation shall be approved for use on the Project by the City at least 7 days prior to placement.

All asphalt delivery tickets shall contain the approved mix number, and be available for review on site and submitted to the City prior to placement.

For Traffic Levels A, B and C do not permit the amount of RAP material to exceed 50%. When using a PG 76-22 Asphalt binder, limit the amount of RAP to a maximum of 15%.

During the paving operation, the asphalt shall be checked by the Contractor and City staff for proper temperature, compaction and surface texture prior to being approved for payment.

3.11.1 APPROVALS

Concrete mixes shall be FDOT-approved and from an FDOT-approved supplier. Documentation shall be approved for use on the Project by the City at least 7 days prior to placement.

All concrete delivery tickets shall contain the approved mix number, and be available for review on site and submitted to the City prior to approval for payment.

Weather protection shall be available on site during all concrete placement operations

The Contractor shall perform air content, slump temperature, compressive strength cylinders testing as per FDOT spec section 346. Class I concrete-Slump only.

The Contractor shall perform an initial slump test prior to adding water to the mix on the job site or anytime the slump is questioned by City staff.

Water must not be added at the jobsite prior to slump testing and if the test is within target slump range water still must not be added. If slump is between target and tolerance, load can be placed but slump must be adjusted for successive trucks which must be within target: if slump outside tolerance, reject the load.

If jobsite water is added, mix concrete an additional 30 revolutions at mixing speed. The amount of water added and slump test results shall be shown on delivery tickets.

The formwork rough-in for all concrete curb, sidewalks and driveways shall be inspected prior to the pour, and then again after the concrete has been poured in-place.

Curb pads shall be inspected for proper grade and density. The Contractor shall indicate whether the curb pad will be placed by machine (string line) or hand-poured at the time the inspection is requested.

3.12 **SIGNING AND MARKING**

Traffic Signs shall be fabricated and installed by the Contractor in accordance with appropriate Manual on Uniform Traffic Control Devices (MUTCD) and FDOT Standards.

Reflective sheeting for traffic signs shall be of High Intensity or greater reflectivity with the exception of STOP Signs. STOP signs shall be of "diamond grade" equivalent prismatic reflectivity or greater.

Traffic signs shall be mounted on a uni-strut square post (or equivalent as approved by the Public Works Department). The sign posts are to be painted; signposts shall be powder coated and painted black to meet federal standard 595B utilizing color # 27038 – black semi-gloss.

3.13 SODDING AND SEEDING

The Contractor is responsible for establishing a growing, healthy turf over all areas designated on the plans. The Contractor is to place sod (St. Augustine) immediately after ground preparation. Maintain turf areas until final acceptance.

The Contractor shall provide sod in accordance with the following:

- Swale areas shall be panned to allow for positive drainage from the sidewalk and street to its longitudinal centerline.
- Sod shall be laid as the sidewalks are repaired or installed. Sod shall be installed within a week of sidewalk installation/repair.
- Place the sod on the prepared surface, with edges in close contact. Do not use sod, which has been cut for more than 48 hours. Place the sod to the edge of all landscape areas as shown in the plans and as shown in the Design Standards: Peg sod at locations where the sod may slide. Drive pegs through sod blocks into firm earth, flush with the sod soil surface, at intervals approved by the Engineer.
- Bio barriers shall installed adjacent to existing and proposed trees locations.
- Remove and replace any sod as directed by the Engineer.

Turf establishment by the Contractor shall be in accordance with the following:

- Perform all Work necessary, including watering and fertilizing, to sustain an established turf until final acceptance, at no additional expense to the City. Provide the filling, leveling, and repairing of any washed or eroded areas as may be necessary.
- Provide an established root system (leaf blades break before seedlings or sod can be pulled from the soil by hand).
- No bare spots larger than one square foot.
- No continuous streaks running perpendicular to the face of the slope.
- No bare areas comprising more than 1% of any given 1,000 square foot area.
- No deformation of the turf areas caused by mowing or other activities.

3.14 SURVEY (AND AS-BUILTS)

All survey shall be per FDOT standards and procedures and be performed by a Florida licensed Professional Surveyor and Mapper. Survey shall meet the Minimum Technical Standards of the current version of the Florida Administrative Code Chapter 5J-17.

Prior to final acceptance, the Contractor shall provide the Owner with a signed and sealed "AS-BUILT" survey as well as the survey file in AutoCAD format including indicating any modifications during construction.

3.15 SUPPLEMENTAL SPECIFICATIONS

Please see Attachment A for Typical Sidewalk Detail

3.16 PROJECT COORDINATION

Upon Issuance of a NTP the Contractor(s) will conduct Project coordination meetings every two weeks, or as agreed to by the City, through the duration of the Project. The Contractor will be responsible for taking and distributing official meeting minutes that accurately reflect the discussions and decisions conveyed at each meeting.

Cone of Silence

Cone of Silence Notification

The Purchasing Department has advertised a Solicitation that affects all City of North Miami Departments. The Cone of Silence, as noted below, is in effect until such award is presented to and approved by the City Council. This Solicitation can be found on www.demandstar.com and on http://northmiamifl.gov/departments/purchasing/current_bids_proposals.aspx Please do not communicate with vendors regarding:

CITYWIDE SIDEWALK REPAIRS AND REPLACEMENT SERVICES RFP No. 75-16-17

DIVISION 8. CONE OF SILENCE

Sec. 7-192. Cone of Silence.

(a) Purpose and intent. The requirements of section 2-11.1, Cone of Silence Ordinances of the Code of Miami-Dade County, Florida, as amended, shall be applicable to the City. It is the intent of this code to prevent potential bidders, offerors or service providers from communicating with City department heads, their staff or selection and evaluation committee members during the period of time in which the cone of silence is imposed.

(b) Cone of silence is defined to mean a PROHIBITION on:

- (1) Any communication regarding a particular RFP, RFQ or IFB between a potential offeror, service provider, bidder, lobbyist, or consultant and the City's professional staff including, but not limited to, the City manager and his or her staff;
- (2) Any communication regarding a particular RFP, RFQ or IFB between the mayor, City council or their respective staffs and any member of the City's professional staff including, but not limited to, the City manager and his or her staff;
- (3) Any communication regarding a particular RFP, RFQ or IFB between a potential offeror, service provider, bidder, lobbyist, or consultant and any member of the selection committee or evaluation committee;
- (4) Any communication regarding a particular RFP, RFQ or IFB between the mayor, City council or their respective staffs and any member of the selection committee or evaluation committee; and
- (5) Any communication regarding a particular RFP, RFQ or IFB between a potential offeror, service provider, bidder, lobbyist, or consultant and the mayor, City Council and their respective staffs.

(c) The City manager and the chairperson of the selection committee may communicate about a particular selection committee recommendation, but only after the committee has

submitted an award recommendation to the City manager and provided that should any change occur in the committee recommendation, the content of the communication and of the corresponding change shall be described in writing and filed by the City manager.

(d) Notwithstanding the foregoing, the cone of silence shall not apply to:

(1) Competitive processes for the award of CDBG, HOME, and SHIP funds and community-based organization (CBO) competitive grant processes, administered by the City;

(2) Communications with the City attorney and his or her staff;

(3) Duly noticed site visits to determine the competency of bidders regarding a particular bid during the time period between the opening of bids and the time the City manager makes a written recommendation;

(4) Emergency procurements of goods or services pursuant to section 7-144;

(5) Communications regarding a particular RFP, RFQ or IFB between any person and the director of the purchasing department or designee, provided the communication is limited strictly to matters of process or procedure already contained in the corresponding solicitation document; and

(6) Communications regarding a particular proposal, quotation or bid between the director of the purchasing department or designee and a member of the selection committee or evaluation committee provided the communication is limited strictly to matters of process or procedure already contained in the corresponding solicitation document.

Sec. 7-193. Procedure.

(a) A cone of silence shall be imposed upon each RFP, RFQ and IFB after the advertisement of said RFP, RFQ or IFB. At the time of imposition of the cone of silence, the director of the purchasing department or designee shall provide for public notice of the cone of silence. The director of the purchasing department shall issue a written notice thereof to the affected departments, file a copy of such notice with the City clerk, with a copy thereof to each City council member, and shall include in any public solicitation for supplies or services a statement disclosing the requirements of this ordinance. Notwithstanding any other provision of this section, the imposition of a cone of silence on a particular RFP, RFQ or IFB shall not preclude procurement staff from obtaining industry comment or performing market research provided all communications related thereto with a potential offeror, service provider, bidder, lobbyist, or consultant are in writing or are made at a duly noticed public meeting.

(b) The cone of silence shall terminate at the time the City manager makes his or her written recommendation of award; provided, however, that if the City manager refers the recommendation back to the director of the purchasing department for further review, the cone of silence shall be re-imposed until such time as the City

manager makes a subsequent written recommendation of award. If the City manager rejects all bids or proposals submitted in response to an RFP or IFB and concurrently
