

# PROJECT UPDATE

## State Road (SR) 922/NE 123 Street at North Bayshore Drive Intersection Enhancement Project

FIN# 429761-1-52-01  
Resumes: January 2015

### OVERVIEW

During the week of Monday, January 5, 2015, the Florida Department of Transportation (FDOT) will resume work on the intersection enhancement project along SR 922/NE 123 Street at North Bayshore Drive in Miami-Dade County.

#### WORK TO BE PERFORMED

- Installing several underground structures
- Replacing sections of sidewalk, curb and gutter, and pedestrian ramps
- Replacing a section of guardrail
- Trimming the existing tree canopy
- Repaving and restriping the intersection
- Updating signage and pavement markings

#### PROJECT SCHEDULE

January 2015 — March 2015

#### AFFECTED MUNICIPALITIES

City of North Miami

#### LANE CLOSURE AND DETOUR INFORMATION

To do this work safely, it will be necessary to close travel lanes at times. Business and pedestrian access will be maintained at all times.

#### HELPFUL TIPS

- Allow extra time to reach your destination
- Obey all posted signs and speed limits

#### ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. The Department takes steps to reduce construction effects, but you might experience the following around the work site.

- Travel lane closures and detours
- Increased dust and noise
- Workers and equipment moving around the area

***Please note that this schedule could change due to bad weather or other unexpected conditions.***

#### FOR MORE INFORMATION

For more information, please contact Project Engineer, Roland Rodriguez, P.E., at (305) 640-7185, or Public Information Specialist Heather Leslie at (305) 905-5876 or Heather@hmlpublicoutreach.com.
