1.19 PUBLIC RECORDS AND EXEMPTIONS

Please be advised that Proposals received by the City become “public records” and shall be subject to public disclosure consistent with Chapter 119, Florida Statutes. Respondents must invoke the exemptions to public records disclosure provided by law, if any, by citing the specific statutory authority for the claimed exemption, identifying the data or other materials to be protected, and stating the reasons why such exclusion from public disclosure is necessary. All Proposals shall be available for public inspection once the City posts notice of an intended decision or thirty (30) days after the opening of Proposals, whichever is earlier.

1.20 REJECTION OF RESPONSES

Pursuant to Section 7-136, City Code, the City reserves the right to reject any and all Proposals for reasons including, but not limited to, the following:

a) When such rejection is in the interests of the City;

b) If such Proposal is deemed non-responsive;

c) If the Respondent is deemed non-responsible;

or

d) If the Proposal contains any materials irregularities.

Minor irregularities contained in a Proposal may be waived by the City. A minor irregularity is a variation from the Solicitation that does not affect the price of the Contract nor does it give a Respondent an advantage or benefit not enjoyed by other Respondents and does not adversely impact the City.

1.21 REVIEW OF PROPOSALS FOR RESPONSIVENESS

Each Proposal will be reviewed to determine if the Proposal is responsive to the submittal requirements stipulated in this Solicitation. A responsive Proposal is one which complies with the requirements of this Solicitation, includes all of the requisite documentation, is submitted in a timely manner and has the appropriate signature as required on each document. Failure to comply with any of these requirements may result in a Proposal being deemed non-responsive.

1.22 PROPOSAL EVALUATION AND COMMITTEE INTERVIEWS

An Evaluation Committee shall be established in accordance with the City’s Procurement Code. The Committee shall be convened for the purpose of reviewing and evaluating the Proposals submitted in response to this Solicitation in
accordance with the criteria outlined under Section 5.0 of this Solicitation. The Committee may decide to interview one or more Respondents or instead may choose to recommend the highest ranked Respondent for award, based solely on their review and evaluation of Proposals, to the City Manager without conducting interviews.

In the event that the Committee chooses to interview one or more of the Respondents, the final ranking shall be based on the Committee’s final evaluation following their interview of the selected firms. The Committee’s result and recommendation for award shall be submitted to the City Manager for review by the Purchasing Department.

1.23 CITY MANAGER’S REVIEW

The Purchasing Department shall submit the results and recommendation of the Evaluation Committee to the City Manager for review. Upon receipt, the City Manager may proceed as follows:

a) Approve the Committee’s recommendation and submit to City Council for approval;

1.25 CONTRACT AWARD

The City anticipates the award of one Contract, but reserves the right to award more than one Contract under this Solicitation, if deemed to be in the interest of the City.

Prior to Contract execution, the awarded Respondent(s) shall submit documentation reflecting any required insurance coverage. The Contract number shall be included on the insurance documentation submitted to the City at the time of award execution and for all subsequent updates to the insurance coverage throughout the Contract period. Failure to execute the Contract and/or to provide evidence of any required insurance coverage in a timely manner shall be just cause for termination of the award.

1.26 PRICE PROPOSAL FORM

See Section 6.0 Proposal Forms.

1.27 NON-RESPONSIVE PROPOSALS

Proposals deemed to be Non-Responsive by the City shall not be considered for this Solicitation. A Proposal may be deemed Non-Responsive for various reasons including, but not limited to, failure to comply with the requirements of this Solicitation, failure to submit or fully complete prescribed forms, conditional responses, incomplete responses, indefinite or ambiguous responses, failure to meet deadlines and improper and/or undated signatures.

Other conditions which may cause rejection of Proposals include evidence of collusion among Respondents, obvious lack of experience or expertise to perform the required Work, submittal of multiple Proposals from the same Respondent and/or its principals, failure to perform or meet financial obligations on previous contracts, employment of unauthorized aliens in violation of Section 274A (e) of the Immigration and Nationalization Act, or in the event an individual, Respondent, partnership, or corporation is on the United States Comptroller General’s List of Ineligible Design-Builder for Federally Financed or Assisted Projects.

Proposals will also be rejected if not delivered or received on or before the date and time specified as the submittal deadline.

1.28 CONE OF SILENCE

This Solicitation is issued pursuant to Section 7-192 of the City Code, Cone of Silence, which
prohibits certain types of communication with City Council members, City staff and evaluation committee members upon issuance of said Solicitation (see Section 7.0).

Upon the Cone of Silence taking effect, the Purchasing Department shall issue public notice thereof by providing written notice to the affected City departments, the City Clerk’s Office and to each City Council member. Notwithstanding any other provision of this section, the imposition of a Cone of Silence on a particular Solicitation shall not preclude the Purchasing Department from obtaining industry comment or performing market research provided all communication related thereto with a potential Respondent, Proposer, supplier, lobbyist or consultant are in writing or made at a duly noticed public meeting.

The Cone of Silence ordinance does not apply to communication at a Pre-Proposal conference, presentations before Selection Committees, negotiation meetings, presentations made to the City Council during any duly noticed public meeting or communications in writing at any time with any City Council member unless specifically prohibited by the applicable Solicitation documents. A copy of all written communications must be filed with the City Clerk.

1.29 SUBCONTRACTORS AND SUPPLIERS DISCLOSURE

This RFP requires that the Respondent must list any and all sub-contractors and/or sub-consultants who will perform any part of the Contract work and all suppliers who will supply equipment and/or products to the Respondent under this Contract. Failure to comply with this requirement shall render the Proposal non-responsive. Moreover, the selected Respondent shall not change or substitute sub-contractors, sub-consultants or suppliers from those listed in the Proposal without prior written approval of the City (see Form A-6).

1.30 BUSINESS ENTITY / RESPONDENT REGISTRATION

The City of North Miami requires companies and individuals who wish to do business with the City to complete a vendor registration application before doing business with the City. Respondents need not register with the City in order to submit a Proposal; however, the selected Respondent(s) must register prior to award of a Contract. Failure to register may result in withdrawal of recommendation to award. To register, please contact the Purchasing Department at (305) 895-9886 or you may download the vendor registration form at our website at www.northmiamifl.gov.

It is the sole responsibility of the business entity to contact the City and update any changes to their vendor registration profile such as new address, telephone number, commodities, etc. as soon as they occur.

1.31 EXCEPTION TO THE RFP

Respondents may take exceptions to any of the terms of this Solicitation unless it specifically states where exceptions may not be taken. If a Respondent takes exception where none is permitted, the Proposal will be rejected as non-responsive. All exceptions taken must indicate clearly what alternative is being offered to allow the City a meaningful opportunity to evaluate and rank Proposals, and the cost implications of the exception (if any). Where exceptions are taken, the City shall determine the acceptability of the proposed exceptions. After completing evaluations, the City may accept or reject the exceptions. When exceptions are rejected, the City may insist that the Respondent furnish the Services or goods described herein or negotiate an acceptable alternative.

All exceptions shall be referenced by utilizing the corresponding section, paragraph and page number in this RFP. However, the City is under no obligation to accept any exceptions. If no exception is stated, the City will assume that the Respondent will accept all terms and conditions.

1.32 PROPRIETARY/CONFIDENTIAL INFORMATION

[See Section 1.19 above]

1.33 LOCAL VENDOR PREFERENCE
The evaluation of competitive Solicitations is subject to Section 7-151, City Code which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to local businesses. To satisfy this requirement, the Respondent shall submit in writing its compliance with any two of the following objective criteria (see Form A-3).

A local business shall be defined as:

a. A business located in the City with a current City business tax receipt issued prior to the City's issuance of the solicitation for supplies or services; and/or

b. Has at least ten (10) percent of its total workforce residing in the City prior to the City's issuance of the solicitation for supplies or services; and/or

c. Subcontracts at least ten (10) percent of the contractual amount of a City project with subcontractors who are physically located within the City (must submit Form A-3(a) as part of the Proposal).

The local business preference is used to assign a preference of ten (10) percent of the total evaluation point, or ten (10) percent of the total price to those Respondents who qualify for this preference.

The Respondent seeking local business preference has the burden to show that it qualifies for the preference, by submitting supporting documentation, to the satisfaction of the City. Failure to do so may result in being considered ineligible for local business preference.

1.34 RULES, REGULATIONS AND LICENSING REQUIREMENTS

The Respondent shall comply with all laws; ordinances and regulations applicable to the Services contemplated herein, especially those applicable to conflict of interest and collusion. Respondents are responsible for being familiar with all Federal, State and Local laws, ordinances, codes, rules and regulations that may in any way affect the goods or Services offered.

1.35 COMMUNITY BENEFITS PLAN

Each Proposal must include a detailed “Community Benefits Plan” which outlines, in accordance with Section 7-151 of the City’s Code of Ordinances, the Respondent’s proposal to incorporate local workforce initiatives as part of their Proposal. The City reserves the right to accept and/or request modifications to the proposed Plan in accordance with the City’s best interest.

The awarded Respondent shall be monitored by the City to ensure compliance with the proposed local workforce training and hiring efforts agreed to by the City. Failure to comply with the agreed to Community Benefits Plan shall result in breach of contract and may lead to termination of contract by the City.

1.36 MODIFICATION OF PROPOSAL

No unsolicited modification to the submitted Proposal will be permitted after the deadline for submittal of Proposals has passed.

1.37 TRUTH IN NEGOTIATION STATEMENT

The selected Respondent must provide a written statement stating that “wage rates and other factual unit cost supporting the compensation are accurate, complete and current” prior to Contract execution.

1.38 LATE SUBMITTALS

The City will not accept Proposals received after opening time and encourages early submittal.

1.39 ATTORNEYS’ FEES

In the event of any dispute arising under or related to this Solicitation and/or the Contract issued pursuant thereto, the prevailing party shall be entitled to recover all actual attorney fees, costs and expenses incurred by it in connection with that dispute and/or the enforcement of the Contract, including all such actual attorney fees, costs and expenses at all judicial levels, including appeal, until such dispute is resolved with finality.
1.40 CONFLICTS OF INTEREST

The City’s Conflict of Interest guidelines, provided under Article XI, of the City Code, as amended, shall apply to this Solicitation and Contract. Respondents should be aware, that if awarded a Contract, no person under its employ who presently exercises any functions or responsibilities on behalf of the City in connection with this Solicitation has any personal financial interest, directly or indirectly, with awarded vendors or Respondents providing professional services on Work assigned to the selected Respondent. All Respondents are hereby placed on notice that if awarded a Contract pursuant to this Solicitation, no person having such conflicting interest shall be employed by the Respondent.

1.41 CONSTRUCTION WORK

For purposes of this Solicitation, the City’s Building Department is not a surrogate of the City. All decisions by the Building Department as to whether some aspect of the Respondent’s proposed development is or is not in compliance with the Florida Building Code, Florida Fire Prevention Code and/or any other applicable codes, regulations, laws and ordinances are independent of and not deemed to be an act or a decision by the City. By participating in this Solicitation, the Respondent understands and agrees that it shall be solely responsible to ensure that the construction of its proposed development complies with all applicable codes, regulations, law and ordinances.

1.42 THE CITY’S OPTIONS

The City may, at its sole and absolute discretion, reject any or all responses, re-advertise this Solicitation, postpone or cancel this Solicitation process at any time, or waive any irregularities in this Solicitation or in the responses received as a result of this Solicitation.

The determination of the criteria and process whereby responses are evaluated, the decision as to who shall receive a Contract award, or whether an award shall ever be made as a result of this Solicitation, shall be the sole and absolute discretion of the City.

In no event will any successful challenger of these determinations or decisions be automatically entitled to the award of this Solicitation.

The submittal of a Proposal will be considered by the City as constituting an offer by the Respondent to provide the Services described in this Solicitation.

END OF SECTION
SECTION 2.0
BACKGROUND AND SITE INFORMATION

2.1 INTRODUCTION
The City of North Miami (“City”), in conjunction with the North Miami Community Redevelopment Agency (NMCRA), is seeking proposals for the redevelopment of a City owned 6.32-acre parcel, formerly known as Rucks Park, located at 13780 N.E. 5th Avenue, and three (3) adjacent CRA parcels, collectively referred to hereafter as “Site” (see Attachments “A” and “B” for site map, legal description and property information).

The proposed development must consist of a minimum of three (3) or more compatible and complimentary permitted uses, as further described below under Section 2.3, with an emphasis on workforce housing. The primary goal is that the proposed development includes workforce housing to create affordable housing opportunities within the City. In order to accomplish the City and NMCRA’s goal to increase the supply of affordable multi-family housing, Respondents are encouraged to use and seek the various private, institutional, and public financial subsidies available to enhance housing affordability and maximize the value of the project.

2.2 SITE BACKGROUND
From 1963 to 1983, the Site was operated as a wastewater treatment plant and subsequently a portion was also used as a plant nursery. Due to the existence of on-site soil and groundwater contamination, the City proceeded to seek “Brownfield” designation for the Site in order to procure brownfield related financial incentives and liability protections in connection with the subsequent environmental cleanup. Moreover, a brownfield designation enables the City to promote environmental restoration, economic redevelopment and more sustainable growth in and around areas which may be impacted by actual or perceived environmental contamination.

On October 28, 2014, the City Council approved and authorized the execution of a “Brownfield Site Rehabilitation Agreement” with Miami-Dade County to establish and implement a brownfield area rehabilitation program at the Site. The agreement acknowledges Miami-Dade County’s role as the agency authorized to administer the Florida Brownfield Program on behalf of the Florida Department of Environmental Protection and to enforce the applicable statutory provisions and administrative rules promulgated and adopted regarding this program. A copy of this Agreement and a Voluntary Cleanup Tax Credit Certificate issued to the City by the Florida Department of Environmental Protection are attached hereto under Attachment “C”.

Given the scarcity of available resources within Miami-Dade County and the continued demand for workforce housing, the City is looking for ways to leverage publicly-owned land to facilitate the development of this Site with the primary goal of providing housing that is affordable to moderate income households.

2.3 LAND-USE REGULATIONS
The site is designated Mixed Use High on the Future Land Use Map, and is zoned as Planned Development District – 3 (PD-3). Pursuant to Sec. 4-302 of the City’s Land Development Regulations (LDRs), the purpose of the PD-3 District is to promote greater innovation and creativity in how lands in this zoning district are developed.

</tbody>
</table>

The height for all buildings is limited to one hundred ten (110) feet. The minimum open space required is twenty (20) percent.

Section 4-302 also outlines the design requirements for all buildings in the District, such as the applicability of the transit-oriented development standards outlined in Section 5-802 and 5-803 of the LDRs, the treatment of architectural relief and elements, and criteria for development along a site’s perimeter, e.g., scale, setback, bulk, and screening.

3.4 WITHDRAWAL OF PROPOSAL
A proposal may be withdrawn prior to the date and hour of the proposal opening. Any proposal not so withdrawn shall, upon opening, constitute an irrevocable offer, for the period of one hundred and eighty (180) days after the date of the proposal opening, to provide the proposed services.

3.5 MODIFICATIONS OF PROPOSAL
No unsolicited modifications to proposals will be permitted after the date and hour of the proposal opening.

3.6 INDEMNIFICATION
The selected Proposer shall indemnify and hold harmless the City and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the City or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of action or proceedings of any kind or nature arising out of, relating to or resulting from the execution and operation of the Lease by the selected Proposer or its employees, agents, servants, partners, principals, or subcontractors by any act, operation, construction, maintenance or any act of omission of Proposer arising from the award of the contract hereunder. The selected Proposer will be required to obtain all necessary permits and pay all required fees. The selected Proposer shall be responsible for all expenses incurred in connection with the proposed development including, but not limited to, surveying, platting, application fees, etc. The base proposal should assume that all on- and off-site public improvements required for development of the Site (including but not limited to streets, street widening, street lights, sidewalks, water/sewer mains, parking garages, landscaping, off-site public facilities, etc.) will be the responsibility of the selected Proposer. Extension, relocation, upgrading or connection of new utilities, if necessary, will be the selected Proposer’s responsibility. All development fees and permits imposed by the City, Miami-Dade County, or any other agency of appropriate jurisdiction in connection with the development will be the responsibility of the selected Proposer.

While Proposer’s base proposal and financial analyses must assume no financial responsibility or consideration on the part of the City, if the Proposer believes that it would be to the advantage of the City in terms of overall financial benefit, for the City to fund proposed public improvements, or to provide tax increment or other consideration, Proposer may supplement its base proposal and financial analyses with a second alternate financial proposal and corresponding financial analyses assuming such proposed assistance. contract, and financing commitments and satisfied other conditions required by the City. The first year of

environmental remediation, demolition of existing structures and other site preparation costs.

with a minimum reporting period of not less than three (3) years. The requirement to
purchase a SERP shall not relieve the Respondent of the obligation to provide replacement

shall clearly indicate whether coverage is provided on an “occurrence” or “claims - made”
form. If coverage is provided on a “claims - made” form the Certificate of Insurance must also

This insurance shall insure the interests of the City, the Developer, and all subcontractors, if any, in the work and shall insure against special form causes of loss (all risk perils), including collapse during construction, for replacement cost (including fees and charges of engineers, architects, attorneys and other professionals). The Developer shall obtain and maintain similar property insurance on equipment, materials, supplies and other property and portions of the work stored on or off site or in transit. Builder’s Risk Insurance shall be endorsed to permit occupancy until such time as the facilities are completed and accepted by the City and written notice of the fact has been issued by the City.

The insurance carriers shall have a minimum of B+ rating based on the latest rating publication for Property and Casualty Insurers such as A.M. Best Company (or its equivalent). All insurers must be lawfully admitted to conduct business within the State of Florida. Required insurance coverage must be approved by the City’s Risk Manager prior to signing of Contract. Respondent may produce any insurance under a “blanket” or “umbrella” insurance policy, provided that such policy or a certificate of such policy specify the amount(s) of the total insurance allocated to this Contract. Coverage limits shall equal or exceed the amount(s) required by this agreement and shall not be reduced for claims made on other projects undertaken by Respondent.

Respondent must submit, prior to signing of Contract, Certificates of Insurance evidencing all coverage requested in this RFP. Additional insured designation in favor of the City shall be included on the Commercial General Liability and Auto Liability Insurance. Respondent shall guarantee all required insurances (including
endorsements) remain current and in effect throughout the term of Contract. Failure to maintain the required insurance shall be considered default of the Contract. The requirements contained herein, as well as the City’s review or acceptance of insurance maintained by the successful Respondent, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the successful Respondent under the Contract.

Respondent shall indemnify and hold harmless the City of North Miami, North Miami Community Redevelopment Agency and their officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys’ fees and costs of defense, which the City, NMCRA or their officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of an Agreement by the Respondent or its employees, agents, servants, partners principals or Subcontractors.

The Respondent must submit, no later than ten (10) days after award and prior to execution of Contract, a Certificate of Insurance evidencing all required coverage and naming the City of North Miami and North Miami Community Redevelopment Agency as additional insured where applicable. The selected proposer shall furnish, within fifteen (15) business days of award of an agreement by the City Council and prior to any entry on the property for due diligence inspections, to the Risk Management Division a Certificate(s) of insurance that shows that insurance coverage has been obtained that meets City requirements. Further extensions to the negotiation period can only be granted by the City Council. If the City and the selected Proposer cannot negotiate a successful sale or lease within the time period described in this RFP, and an extension is not granted by the City Council, the City may elect to finalize negotiations with the next preferred Proposer or issue a new RFP. Section 7.0
Cone of Silence Ordinance
Cone of Silence

The Cone of Silence, as noted below, is in effect until such award is presented to and approved by the City Council/CRA Board.

Redevelopment of the Rucks Park Site
RFP No. 14-18-19

DIVISION 8. CONE OF SILENCE

Sec. 7-192. Cone of Silence.

(a) Purpose and intent. The requirements of section 2-11.1, Cone of Silence Ordinances of the Code of Miami-Dade County, Florida, as amended, shall be applicable to the city. It is the intent of this code to prevent potential bidders, offerors or service providers from communicating with city department heads, their staff or selection and evaluation committee members during the period of time in which the cone of silence is imposed.

(b) Cone of silence is defined to mean a PROHIBITION on:

1. Any communication regarding a particular RFP, RFQ or IFB between a potential offeror, service provider, bidder, lobbyist, or consultant and the city’s professional staff including, but not limited to, the city manager and his or her staff;

2. Any communication regarding a particular RFP, RFQ or IFB between the mayor, city council or their respective staffs and any member of the city’s professional staff including, but not limited to, the city manager and his or her staff;

3. Any communication regarding a particular RFP, RFQ or IFB between a potential offeror, service provider, bidder, lobbyist, or consultant and any member of the selection committee or evaluation committee;

4. Any communication regarding a particular RFP, RFQ or IFB between the mayor, city council or their respective staffs and any member of the selection committee or evaluation committee; and

5. Any communication regarding a particular RFP, RFQ or IFB between a potential offeror, service provider, bidder, lobbyist, or consultant and the mayor, City Council and their respective staffs.

(c) The city manager and the chairperson of the selection committee may communicate about a particular selection committee recommendation, but only after the committee has submitted an award recommendation to the city manager and provided that should any change occur in the committee recommendation, the content of the communication and of the corresponding change shall be described in writing and filed by the city manager.

(d) Notwithstanding the foregoing, the cone of silence shall not apply to:
(1) Competitive processes for the award of CDBG, HOME, and SHIP funds and community-based organization (CBO) competitive grant processes, administered by the city;

(2) Communications with the city attorney and his or her staff;

(3) Duly noticed site visits to determine the competency of bidders regarding a particular bid during the time period between the opening of bids and the time the city manager makes a written recommendation;

(4) Emergency procurements of goods or services pursuant to section 7-144;

(5) Communications regarding a particular RFP, RFQ or IFB between any person and the director of the purchasing department or designee, provided the communication is limited strictly to matters of process or procedure already contained in the corresponding solicitation document; and

(6) Communications regarding a particular proposal, quotation or bid between the director of the purchasing department or designee and a member of the selection committee or evaluation committee provided the communication is limited strictly to matters of process or procedure already contained in the corresponding solicitation document.

Sec. 7-193. Procedure.

(a) A cone of silence shall be imposed upon each RFP, RFQ and IFB after the advertisement of said RFP, RFQ or IFB. At the time of imposition of the cone of silence, the director of the purchasing department or designee shall provide for public notice of the cone of silence. The director of the purchasing department shall issue a written notice thereof to the affected departments, file a copy of such notice with the city clerk, with a copy thereof to each city council member, and shall include in any public solicitation for supplies or services a statement disclosing the requirements of this ordinance. Notwithstanding any other provision of this section, the imposition of a cone of silence on a particular RFP, RFQ or IFB shall not preclude procurement staff from obtaining industry comment or performing market research provided all communications related thereto with a potential offeror, service provider, bidder, lobbyist, or consultant are in writing or are made at a duly noticed public meeting.

(b) The cone of silence shall terminate at the time the city manager makes his or her written recommendation of award; provided, however, that if the city manager refers the recommendation back to the director of the purchasing department for further review, the cone of silence shall be re-imposed until such time as the city manager makes a subsequent written recommendation of award. If the city manager rejects all bids or proposals submitted in response to an RFP or IFB and concurrently requests the re-issuance of an RFP or IFB, the rejected bids or proposals shall remain under the cone of silence until such time the city manager issues a written recommendation of award or until the city manager withdraws the re-issued RFP or IFB.

(c) Exceptions. The provisions of this code shall not apply to oral communications at pre-bid conferences, oral presentations before selection committees or evaluation committees, contract negotiations during any duly noticed public meeting, public presentations made to
the city council during any duly noticed public meeting or communications in writing at any time with any city employee, official or member of the city council unless specifically prohibited by the applicable RFP, RFQ or IFB documents. The offeror or bidder shall file a copy of any written communication with the city clerk. The cone of silence shall not apply to small purchases or emergency purchases, pursuant to this code.
