1.27 CONE OF SILENCE

This Solicitation is issued pursuant to Section 7-192 of the City Code, Cone of Silence, which prohibits certain types of communication with
City Council members, City staff and evaluation committee members upon issuance of said Solicitation (see Appendix C).

Upon the Cone of Silence taking effect, the Purchasing Department shall issue public notice thereof by providing written notice to the affected City departments, the City Clerk’s Office and to each City Council member. Notwithstanding any other provision of this section, the imposition of a Cone of Silence on a particular Solicitation shall not preclude the Purchasing Department from obtaining industry comment or performing market research provided all communication related thereto with a potential Respondent, Proposer, supplier, lobbyist or Vendor are in writing or made at a duly noticed public meeting.

The Cone of Silence ordinance does not apply to communication at a Pre-Proposal conference, presentations before Selection Committees, negotiation meetings, presentations made to the City Council during any duly noticed public meeting or communications in writing at any time with any City Council/CRA Board member unless specifically prohibited by the applicable Solicitation documents. A copy of all written communications must be filed with the City Clerk.

This RFP requires that the Respondent must list any and all sub-contractors and/or sub- Vendors who will perform any part of the Contract work and all suppliers who will supply equipment and/or products to the Respondent under this Contract. Failure to comply with this requirement shall render the Proposal non-responsive. Moreover, the selected Respondent shall not change or substitute sub-contractors, Sub-Consultants or suppliers from those listed in the Proposal without prior written approval of the City (see Form A-6).

1.29 BUSINESS ENTITY / RESPONDENT REGISTRATION

The City of North Miami requires companies and individuals who wish to do business with the City to complete a vendor registration application before doing business with the City. Respondents need not register with the City in order to submit a Proposal; however, the selected Respondent(s) must register prior to award of a Contract. Failure to register may result in withdrawal of recommendation to award. To register, please contact the Purchasing Department at (305) 895-9886 or you may download the vendor registration form at our website at www.northmiamifl.gov.

It is the sole responsibility of the business entity to contact the City and update any changes to their vendor registration profile such as new address, telephone number, commodities, etc. as soon as they occur.

Respondents may take exceptions to any of the terms of this Solicitation unless it specifically states where exceptions may not be taken. If a Respondent takes exception where none is permitted, the Proposal will be rejected as non-responsive. All exceptions taken must indicate clearly what alternative is being offered to allow the City a meaningful opportunity to evaluate and rank Proposals, and the cost implications of the exception (if any). Where exceptions are taken, the City shall determine the acceptability of the proposed exceptions. After completing evaluations, the City may accept or reject the exceptions. When exceptions are rejected, the City may insist that the Respondent furnish the Services or goods described herein or negotiate an acceptable alternative.

All exceptions shall be referenced by utilizing the corresponding section, paragraph and page number in this RFP. However, the City is under no obligation to accept any exceptions. If no exception is stated, the City will assume that the Respondent will accept all terms and conditions.

1.32 LOCAL VENDOR PREFERENCE

The evaluation of competitive Solicitations is subject to Section 7-151, City Code which, except

The Respondent seeking local business preference has the burden to show that it qualifies for the preference, by submitting supporting documentation, to the satisfaction of the City. Failure to do so may result in being considered ineligible for local business preference.

1.33 RULES, REGULATIONS AND LICENSING REQUIREMENTS

The Respondent shall comply with all laws; ordinances and regulations applicable to the Services contemplated herein, especially those applicable to conflict of interest and collusion. Respondents are responsible for being familiar with all Federal, State and Local laws, ordinances, codes, rules and regulations that may in any way affect the goods or Services offered.

DIVISION 8. CONE OF SILENCE

Sec. 7-192. Cone of Silence.

(a) *Purpose and intent.* The requirements of section 2-11.1, Cone of Silence Ordinances of the Code of Miami-Dade County, Florida, as amended, shall be applicable to the city. It is the intent of this code to prevent potential bidders, offerors or service providers from communicating with city department heads, their staff or selection and evaluation committee members during the period of time in which the cone of silence is imposed.

(b) **Cone of silence is defined to mean a PROHIBITION on:**

(1) **Any communication** regarding a particular RFP, RFP or IFB between a potential offeror, service provider, bidder, lobbyist, or Vendor and the city's professional staff including, but not limited to, the city manager and his or her staff;

(2) **Any communication** regarding a particular RFP, RFP or IFB between the mayor, city council or their respective staffs and any member of the city's professional staff including, but not limited to, the city manager and his or her staff;

(3) **Any communication** regarding a particular RFP, RFP or IFB between a potential offeror, service provider, bidder, lobbyist, or Vendor and any member of the selection committee or evaluation committee;

(4) **Any communication** regarding a particular RFP, RFP or IFB between the mayor, city council or their respective staffs and any member of the selection committee or evaluation committee; and

(5) **Any communication** regarding a particular RFP, RFP or IFB between a potential offeror, service provider, bidder, lobbyist, or Vendor and the mayor, City Council and their respective staffs.

(c) The city manager and the chairperson of the selection committee may communicate about a particular selection committee recommendation, but only after the committee has submitted an award recommendation to the city manager and provided that should any change occur in the committee recommendation, the content of the communication and of the corresponding change shall be described in writing and filed by the city manager.
(d) Notwithstanding the foregoing, the cone of silence shall not apply to:

(1) Competitive processes for the award of CDBG, HOME, and SHIP funds and community-based organization (CBO) competitive grant processes, administered by the city;

(2) Communications with the city attorney and his or her staff;

(3) Duly noticed site visits to determine the competency of bidders regarding a particular bid during the time period between the opening of bids and the time the city manager makes a written recommendation;

(4) Emergency procurements of goods or services pursuant to section 7-144;

(5) Communications regarding a particular RFP, RFP or IFB between any person and the director of the purchasing department or designee, provided the communication is limited strictly to matters of process or procedure already contained in the corresponding solicitation document; and

(6) Communications regarding a particular proposal, quotation or bid between the director of the purchasing department or designee and a member of the selection committee or evaluation committee provided the communication is limited strictly to matters of process or procedure already contained in the corresponding solicitation document.

Sec. 7-193. Procedure.

(a) A cone of silence shall be imposed upon each RFP, RFP and IFB after the advertisement of said RFP, RFP or IFB. At the time of imposition of the cone of silence, the director of the purchasing department or designee shall provide for public notice of the cone of silence. The director of the purchasing department shall issue a written notice thereof to the affected departments, file a copy of such notice with the city clerk, with a copy thereof to each city council member, and shall include in any public solicitation for supplies or services a statement disclosing the requirements of this ordinance. Notwithstanding any other provision of this section, the imposition of a cone of silence on a particular RFP, RFP or IFB shall not preclude procurement staff from obtaining industry comment or performing market research provided all communications related thereto with a potential offeror, service provider, bidder, lobbyist, or Vendor are in writing or are made at a duly noticed public meeting.

(b) The cone of silence shall terminate at the time the city manager makes his or her written recommendation of award; provided, however, that if the city manager refers the recommendation back to the director of the purchasing department for further review, the cone of silence shall be re-imposed until such time as the city manager makes a subsequent written recommendation of award. If the city manager rejects all bids or proposals submitted in response to an RFP or IFB and concurrently requests the re-issuance of an RFP or IFB, the rejected bids or proposals shall remain under the cone of silence until such time the city manager issues a written recommendation of award or until the city manager withdraws the re-issued RFP or IFB.
(c) **Exceptions.** The provisions of this code shall not apply to oral communications at pre-bid conferences, oral presentations before selection committees or evaluation committees, contract negotiations during any duly noticed public meeting, public presentations made to the city council during any duly noticed public meeting or communications in writing at any time with any city employee, official or member of the city council unless specifically prohibited by the applicable RFP, RFP or IFB documents. The offeror or bidder shall file a copy of any written communication with the city clerk. The cone of silence shall not apply to small purchases or emergency purchases, pursuant to this code.
