A responsive Proposal is one which complies with the requirements of this Solicitation, includes all of the requisite documentation, is submitted in a timely manner and has the appropriate signature as required on each document. Failure to comply with any of these requirements may result in a Proposal being deemed non-responsive.

The Committee shall be convened for the purpose of reviewing and evaluating the Proposals submitted in response to this Solicitation in accordance with the criteria outlined under Section 4.0 of this Solicitation. In the event that the Committee chooses to interview one or more of the Respondents, the final ranking shall be based on the Committee’s final evaluation following their interview of the selected firms. The Committee’s results and recommendation for award shall be submitted to the City Council for review by the Purchasing Department.

Prior to Contract execution, the awarded Respondent(s) shall submit documentation reflecting any required insurance coverage. The Contract number shall be included on the insurance documentation submitted to the City at the time of award execution and for all subsequent updates to the insurance coverage throughout the Contract period. Failure to execute the Contract and/or to provide evidence of any required insurance coverage in a timely manner shall be just cause for termination of the award.

1.26 PRICE PROPOSAL FORM

Not Applicable

1.27 NON-RESPONSIVE PROPOSALS

Proposals deemed to be Non-Responsive by the City shall not be considered for this Solicitation. A Proposal may be deemed Non-Responsive for various reasons including, but not limited to, failure to comply with the requirements of this Solicitation, failure to submit or fully complete prescribed forms, conditional responses, incomplete responses, indefinite or ambiguous responses, failure to meet deadlines and improper and/or undated signatures.

Other conditions which may cause rejection of Proposals include evidence of collusion among Respondents, obvious lack of experience or expertise to perform the required Work, submittal of multiple Proposals from the same Respondent and/or its principals, failure to perform or meet financial obligations on previous contracts, employment of unauthorized aliens in violation of Section 274A (e) of the Immigration and Nationalization Act, or in the event an individual, Respondent, partnership, or corporation is on the United States Comptroller General's List of Ineligible Design-Builders for Federally Financed or Assisted Projects.

Proposals will also be rejected if not delivered or received on or before the date and time specified as the submittal deadline.
1.28 CONE OF SILENCE

This Solicitation is issued pursuant to Section 7-192 of the City Code, Cone of Silence, which prohibits certain types of communication with City Council members, City staff and evaluation committee members upon issuance of said Solicitation (see Section 6.0).

Upon the Cone of Silence taking effect, the Purchasing Department shall issue public notice thereof by providing written notice to the affected City departments, the City Clerk’s Office and to each City Council member. Notwithstanding any other provision of this section, the imposition of a Cone of Silence on a particular Solicitation shall not preclude the Purchasing Department from obtaining industry comment or performing market research provided all communication related thereto with a potential Respondent, Proposer, supplier, lobbyist or consultant are in writing or made at a duly noticed public meeting.

The Cone of Silence ordinance does not apply to communication at a Pre-Proposal conference, presentations before Selection Committees, negotiation meetings, presentations made to the City Council during any duly noticed public meeting or communications in writing at any time with any City Council member unless specifically prohibited by the applicable Solicitation documents. A copy of all written communications must be filed with the City Clerk.

1.29 SUBCONTRACTORS AND SUPPLIERS DISCLOSURE

This RFQ requires that the Respondent must list any and all sub-contractors and/or sub-consultants who will perform any part of the Contract work and all suppliers who will supply equipment and/or products to the Respondent under this Contract. Failure to comply with this requirement shall render the Proposal non-responsive. Moreover, the selected Respondent shall not change or substitute sub-contractors, sub-consultants or suppliers from those listed in the Proposal without prior written approval of the City (see Form A-6).

1.30 BUSINESS ENTITY / RESPONDENT REGISTRATION

The City of North Miami requires companies and individuals who wish to do business with the City to complete a vendor registration application before doing business with the City. Respondents need not register with the City in order to submit a Proposal; however, the selected Respondent(s) must register prior to award of a Contract. Failure to register may result in withdrawal of recommendation to award. To register, please contact the Purchasing Department at (305) 895-9886 or you may download the vendor registration form at our website at www.northmiamifl.gov.

It is the sole responsibility of the business entity to contact the City and update any changes to their vendor registration profile such as new address, telephone number, commodities, etc. as soon as they occur.

1.31 EXCEPTION TO THE RFQ

Respondents may take exceptions to any of the terms of this Solicitation unless it specifically states where exceptions may not be taken. If a Respondent takes exception where none is permitted, the Proposal will be rejected as non-responsive. All exceptions taken must indicate clearly what alternative is being offered to allow the City a meaningful opportunity to evaluate and rank Proposals, and the cost implications of the exception (if any). Where exceptions are taken, the City shall determine the acceptability of the proposed exceptions. After completing evaluations, the City may accept or reject the exceptions. When exceptions are rejected, the City may insist that the Respondent furnish the Services or goods described herein or negotiate an acceptable alternative.

All exceptions shall be referenced by utilizing the corresponding section, paragraph and page number in this RFQ. However, the City is under no obligation to accept any exceptions. If no exception is stated, the City will assume that the Respondent will accept all terms and conditions.
1.32 PROPRIETARY/CONFIDENTIAL INFORMATION

[See Section 1.19 above]

1.33 LOCAL VENDOR PREFERENCE

The evaluation of competitive Solicitations is subject to Section 7-151, City Code which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to local businesses. To satisfy this requirement, the Respondent shall submit in writing its compliance with any two of the following objective criteria (see Form A-3).

A local business shall be defined as:

A business located in the City with a current City business tax receipt issued prior to the City's issuance of the solicitation for supplies or services; and/or

Subcontracts at least ten (10) percent of the contractual amount of a City project with subcontractors who are physically located within the City (must submit Form A-3(a) as part of the Proposal).

The local business preference is used to assign a preference of ten (10) percent of the total evaluation point, or ten (10) percent of the total price to those Respondents who qualify for this preference.

The Respondent seeking local business preference has the burden to show that it qualifies for the preference, by submitting supporting documentation, to the satisfaction of the City. Failure to do so may result in being considered ineligible for local business preference.

1.34 RULES, REGULATIONS AND LICENSING REQUIREMENTS

The Respondent shall comply with all laws; ordinances and regulations applicable to the Services contemplated herein, especially those applicable to conflict of interest and collusion. Respondents are responsible for being familiar with all Federal, State and Local laws, ordinances, codes, rules and regulations that may in any way affect the goods or Services offered.

1.39 CONFLICTS OF INTEREST

The City’s Conflict of Interest guidelines, provided under Article XI, of the City Code, as amended, shall apply to this Solicitation and Contract. Respondents should be aware, that if awarded a Contract, no person under its employ who presently exercises any functions or responsibilities on behalf of the City in connection with this Solicitation has any personal financial interest, directly or indirectly, with awarded vendors or Respondents providing professional services on Work assigned to the selected Respondent. All Respondents are hereby placed on notice that if awarded a Contract pursuant to
this Solicitation, no person having such conflicting interest shall be employed by the Respondent.

The determination of the criteria and process whereby responses are evaluated, the decision as to who shall receive a Contract award, or whether an award shall ever be made as a result of this Solicitation, shall be the sole and absolute discretion of the City.

In no event will any successful challenger of these determinations or decisions be automatically entitled to the award of this Solicitation.

Firms will not be limited to one professional category. Respondents must designate which professional category they are submitting proposals for (see Discipline Form in Section 5). Any professional services awarded through this RFQ will be for projects that do not exceed $2,000,000 in basic construction cost and for study activity if the fee for professional services for each individual study does not exceed $200,000 pursuant to the threshold requirements established in Florida Statute 287.055. The City is soliciting proposals on behalf of City departments for the following disciplines/sub-disciplines:

1. Architecture (including Interior Design)
2. Landscape Architecture

The City intends to pre-qualify multiple firms for each professional service category. No guarantee is expressed or implied as to the total services to be purchased under this RFQ. Award of a consultant does not guarantee any future work to be awarded. No services are to become due unless procedures listed in Section 3.2 are followed.

In the event a firm is selected for a specific project, the selected firm will be required to negotiate and execute an agreement with the City, which may require City Council approval by Resolution.

The User Department will contact the Purchasing Department to evaluate the credentials of the approved Consultants to determine which Consultant is most qualified to perform the desired services requested by the User Department.

3.2 SELECTION OF CONSULTANT FOR CONSULTING SERVICES
All selected firms shall be placed on a pre-qualified list for the disciplines they have been selected under. The City, at its discretion, shall use the list to select a consultant to engage for the particular services required. 3.4.2 Consultant and City acknowledge that the Scope of Services does not delineate every detail and minor work task required to be performed by Consultant to complete the Project. If, during the course of the performance of the services included in the Contract, Consultant determines that work should be performed to complete the Project which is in the Consultant’s opinion outside the level of effort originally anticipated, whether or not the Scope of Services identifies the work items, Consultant shall notify Contract Administrator in writing in a timely manner before proceeding with the work. If Consultant proceeds with said work without notifying the Contract Administrator, said work shall be deemed to be within the original level of effort, whether or not specifically addressed in the Scope of Services. Notice to Contract Administrator does not constitute authorization or approval by City to perform the work. Performance of work by Consultant outside the originally anticipated level of effort without prior written City approval is at Consultant’s sole risk.

3.4.3 Consultant acknowledges and agrees that services under this RFQ are to be requested by the City on an as-needed basis only, and no representation or guarantee is made by the City to the Consultant that the City will utilize the Consultant’s services exclusively or at all.

3.4.4 Consultants interested in performing these services must exhibit considerable relevant experience with this type of work, and should emphasize both experience and capability of particular personnel who will actually perform the work. Consultants should indicate any sub-consultants proposed to be utilized in performing work for the City.

3.4.5 The selected firm(s) will be responsible for reviewing existing Miami-Dade County and City of North Miami Codes, Resolutions and Ordinances as well as State of Florida Building Codes and for incorporating data into complete construction documents including final construction plans (working drawings),

Firms may also be required to provide consulting services to the City on various matters which do not result in drawings, specifications or construction documents.

3.4.7 The respondent shall agree to indemnify and hold harmless and pay on behalf of the City, for any liability and/or legal costs arising out of any claims and litigation related to the services provided, including any actions that may arise from allegations regarding determination of appropriateness or inappropriateness of care or any acts, errors or omissions related to the service provided.

EVALUATION CRITERIA/SELECTION PROCESS

4.1 REVIEW OF PROPOSALS FOR RESPONSIVENESS

Each Proposal will be reviewed to determine if the Proposal is responsive to the submission requirements outlined in the Solicitation. A responsive Proposal is one which follows the requirements of this Solicitation that includes all documentation, is submitted in the format outlined in this Solicitation, is of timely submission, and has the appropriate signatures as required on each document. Failure to comply with these requirements may result in the Proposal being deemed non-responsive. The Contract(s) will be awarded to the most responsive proposer whose Proposal best serves the interest of and represents the best values to the City in conformity with Chapter 7, Article III of the City code.

By the submittal of a proposal, each firm acknowledges and agrees to all terms and conditions set forth in this RFQ and agreement by the City of North Miami.

Each firm acknowledges and agrees that due care and diligence was exercised in the preparation of its proposal and all information contained therein is believed to be correct. The respondent acknowledges, and accepts its responsibility for determining the full extent of the exposure to risk and verification by the City of all information in the proposal. Neither the City nor its representatives will be responsible for any error or omission in any proposal, or for the failure on the part of any respondent to determine the full extent of the exposure.

4.2 EVALUATION PROCESS

The City shall appoint an Evaluation Committee to review and evaluate the qualifications, prior experience, and proposed development of each Respondent.

Respondents who have met the responsiveness and responsibility conditions will be evaluated by the Committee in accordance with the criteria detailed under this Section. Evaluation Committee members will independently score the Proposals based on the merit of each Proposal, as determined by the Evaluation Committee members, to meet the requirements stated in this Solicitation. The total number of points scored by each Evaluation Committee member will be based on the maximum points available for each of the criteria described below.

Upon completion of the technical criteria evaluation, rating and ranking, the Committee may choose to conduct oral presentation(s) with the Respondent(s), which the Evaluation/Selection Committee deems to warrant further consideration based on the best-rated proposal providing the highest quality of service to the City; scores in clusters; significant breaks in scoring; and/or maintaining competition. Upon completion of the oral presentation(s), the Committee will re-evaluate, re-rate and re-rank the proposals remaining in consideration based upon the written documents combined with the oral presentation.

4.3 EVALUATION OF PROPOSALS

Criteria will be scored on a scale of “0” to “100” per evaluator with the maximum number of points available for each criterion as noted in this section. Scoring is based on a point total per evaluator and not a percentage. The final ranking will be based on the sum total of the Committee’s score for each Respondent, adjusted by the Local Business Preference factor.
The specific criteria that will be utilized is as follows:

4.4 **ORAL PRESENTATIONS**

Respondents may be invited to provide an Oral Presentation as a part of the evaluation process for this Solicitation. The Committee will schedule interviews only with selected Respondents. Notice of assigned presentation times will be communicated in advance to the Respondent but may be given short notice of appearance. The purpose of the presentation will be to clarify the Response and ensure a mutual understanding of the Scope of Services. The oral presentation may clarify but may not modify the prior written submission. Verbal exchanges between the presenter(s) and evaluation Committee during presentations are intended only for purposes of providing clarification in response to questions from Evaluation Committee. These exchanges shall not be misconstrued as a “negotiation” of terms by either party. The City will not be liable for any costs incurred by the proposer in connection with such interviews/presentations (i.e. travel, accommodations, etc).

4.5 **LOCAL BUSINESS PREFERENCE**

The evaluation of competitive solicitations is subject to Section 7-151 of the City’s Purchasing Code which, except where contrary to federal and state law, or any other funding source requirements, provides that preference be given to local businesses. To satisfy this requirement, the Respondent shall submit in writing its compliance with any two of the following objective criteria (see Form A-3).

Pursuant to Section 7-151, a “Local Business” is defined as a business meeting **two** of the following:

a) A business located in the City with a current City business tax receipt issued prior to the City’s issuance of the solicitation for supplies or services; or

b) A business that has at least ten (10) percent of its total workforce residing in the City prior to the City’s issuance of the solicitation for supplies or services; or

c) A business that subcontracts at least ten (10) percent of the contractual amount of a City project with subcontractors who are physically located within the City (must submit Form A-3(a) as part of the Proposal).

The local business preference is used to assign a preference of ten (10) percent of the total evaluation point, or ten (10) percent of the total price to those Respondents who qualify for this preference.

**Note:** The Respondent seeking local business preference has the burden to show that it qualifies for the preference, to the satisfaction of the City, by submitting supporting
documentation. Failure to do so may result in being considered ineligible for local business preference.

4.6 NEGOTIATION PROCESS
If the City and said Proposer(s) cannot reach an agreement on a Contract, the City reserves the right to terminate negotiations and may, at the City Manager’s or designee’s discretion, begin negotiations with the next qualified, responsible and responsive proposer. This process may continue until a Contract acceptable to the City has been executed or all Proposals are rejected. No Proposer shall have any rights against the City arising from such negotiations or termination thereof.

Continuing Architectural and Engineering Consulting Services (CCNA)
RFQ No. 08-17-18

DIVISION 8. CONE OF SILENCE

Sec. 7-192. Cone of Silence.

(a) Purpose and intent. The requirements of section 2-11.1, Cone of Silence Ordinances of the Code of Miami-Dade County, Florida, as amended, shall be applicable to the city. It is the intent of this code to prevent potential bidders, offerors or service providers from communicating with city department heads, their staff or selection and evaluation committee members during the period of time in which the cone of silence is imposed.

(b) Cone of silence is defined to mean a PROHIBITION on:

(1) Any communication regarding a particular RFP, RFQ or IFB between a potential offeror, service provider, bidder, lobbyist, or consultant and the city's professional staff including, but not limited to, the city manager and his or her staff;

(2) Any communication regarding a particular RFP, RFQ or IFB between the mayor, city council or their respective staffs and any member of the city's professional staff including, but not limited to, the city manager and his or her staff;

(3) Any communication regarding a particular RFP, RFQ or IFB between a potential offeror, service provider, bidder, lobbyist, or consultant and any member of the selection committee or evaluation committee;

(4) Any communication regarding a particular RFP, RFQ or IFB between the mayor, city council or their respective staffs and any member of the selection committee or evaluation committee; and

(5) Any communication regarding a particular RFP, RFQ or IFB between a potential offeror, service provider, bidder, lobbyist, or consultant and the mayor, City Council and their respective staffs.

(c) The city manager and the chairperson of the selection committee may communicate about a particular selection committee recommendation, but only after the committee has submitted an award recommendation to the city manager and provided that should any
change occur in the committee recommendation, the content of the communication and of the corresponding change shall be described in writing and filed by the city manager.

(d) Notwithstanding the foregoing, the cone of silence shall not apply to:

(1) Competitive processes for the award of CDBG, HOME, and SHIP funds and community-based organization (CBO) competitive grant processes, administered by the city;

(2) Communications with the city attorney and his or her staff;

(3) Duly noticed site visits to determine the competency of bidders regarding a particular bid during the time period between the opening of bids and the time the city manager makes a written recommendation;

(4) Emergency procurements of goods or services pursuant to section 7-144;

(5) Communications regarding a particular RFP, RFQ or IFB between any person and the director of the purchasing department or designee, provided the communication is limited strictly to matters of process or procedure already contained in the corresponding solicitation document; and

(6) Communications regarding a particular proposal, quotation or bid between the director of the purchasing department or designee and a member of the selection committee or evaluation committee provided the communication is limited strictly to matters of process or procedure already contained in the corresponding solicitation document.

Sec. 7-193. Procedure.

(a) A cone of silence shall be imposed upon each RFP, RFQ and IFB after the advertisement of said RFP, RFQ or IFB. At the time of imposition of the cone of silence, the director of the purchasing department or designee shall provide for public notice of the cone of silence. The director of the purchasing department shall issue a written notice thereof to the affected departments, file a copy of such notice with the city clerk, with a copy thereof to each city council member, and shall include in any public solicitation for supplies or services a statement disclosing the requirements of this ordinance. Notwithstanding any other provision of this section, the imposition of a cone of silence on a particular RFP, RFQ or IFB shall not preclude procurement staff from obtaining industry comment or performing market research provided all communications related thereto with a potential offeror, service provider, bidder, lobbyist, or consultant are in writing or are made at a duly noticed public meeting.

(b) The cone of silence shall terminate at the time the city manager makes his or her written recommendation of award; provided, however, that if the city manager refers the recommendation back to the director of the purchasing department for further review, the cone of silence shall be re-imposed until such time as the city manager makes a subsequent written recommendation of award. If the city manager rejects all bids or proposals submitted in response to an RFP or IFB and concurrently requests the re-issuance of an RFP or IFB, the rejected bids or proposals shall remain under the cone of
silence until such time the city manager issues a written recommendation of award or until the city manager withdraws the re-issued RFP or IFB.

(c) *Exceptions.* The provisions of this code shall not apply to oral communications at pre-bid conferences, oral presentations before selection committees or evaluation committees, contract negotiations during any duly noticed public meeting, public presentations made to the city council during any duly noticed public meeting or communications in writing at any time with any city employee, official or member of the city council unless specifically prohibited by the applicable RFP, RFQ or IFB documents. The offeror or bidder shall file a copy of any written communication with the city clerk. The cone of silence shall not apply to small purchases or emergency purchases, pursuant to this code.
