Vendor Terms & Conditions (continued)

TRUCK/TRAILER PARKING & EMPLOYEE PARKING

Parking is extremely limited at the event. There are no accommodations for RVs, POP-UP CAMPERS, LARGE TRUCKS, TRAILERS OR VEHICLES REQUIRING MORE THAN ONE SPACE TO PARK. Each vehicle must be able to fit in one regular parking space. Vendors with multiple employees should encourage their employees to park at the event parking location and take the free shuttle to the event, carpool or get dropped off.

TENTS

Vendor owned tents must conform to booth size. Construction of booth and displays must be able to withstand inclement weather and crowd activity. Tents must be manufactured of flame-retardant materials. Cooking underneath the tent is strictly prohibited. Each tent leg must be weighed down in some form or another. The contents of the booth cannot go beyond the assigned exhibitor booth space. Your booth should not interfere with your neighbor's booth.

RESTRICTIONS

Vendors are only allowed to sell items from the front or crowd side of the vendor space. Displaying and selling food from the back of the tent is strictly prohibited. This forces crowds to have to maneuver around electrical hook-ups, cords, etc. and represents a safety hazard. Vendors may only sell food within their tent. It is prohibited to walk through the crowd or near the stage to sell food or other items.

POWER

Should you need electrical, we ask that you provide your own generator - pre-approval is required for generator placement. Vendors must supply their own electric cords and it's suggested to bring, at a minimum, a 50 foot extension cord. Please ensure cords, plugs and equipment are up to code. Lighting/electricity for the inside of your tent must meet the following specifications: no metal clamps, no flat cords, only 12-gauge round cords and only UL approved outdoor grounded cords may be used. All power cords must be taped down
