Dear District 2 Neighbor,

I'm Kassandra Timothe, your Councilwoman in the beautiful City of North Miami. On June 1, 2021, I was elected to serve you and 8,000 other residents in District 2 on the North Miami City Council where I am proud to hold the honor of being the youngest elected official in North Miami's history. I am also the first black and first person of Haitian decent to hold the District 2 seat on the City Council.

In just one year, I am happy to report that I was able to secure additional funding for lighting and landscaping in our District which helps to reduce crime. I advocated to restore the Haunted Trails and Spring Egg Hunt because I understand the needs of the children and parents who are looking for fun, affordable things to do. I also launched two programs, Extended Hands and Tabu Academy, and secured additional funding from the North Miami Community Redevelopment Agency (CRA) to complete a five-unit affordable housing project for seniors in our district. While there is much more I want to do, I have three more years to get things done for you in District 2.

As you know, development is currently underway in our area. If approved, developments such as the residential and downtown revitalization projects will create jobs, increase our revenues, and provide much needed housing in our area. District 2 is the heart of our city and great things are in store for our community.

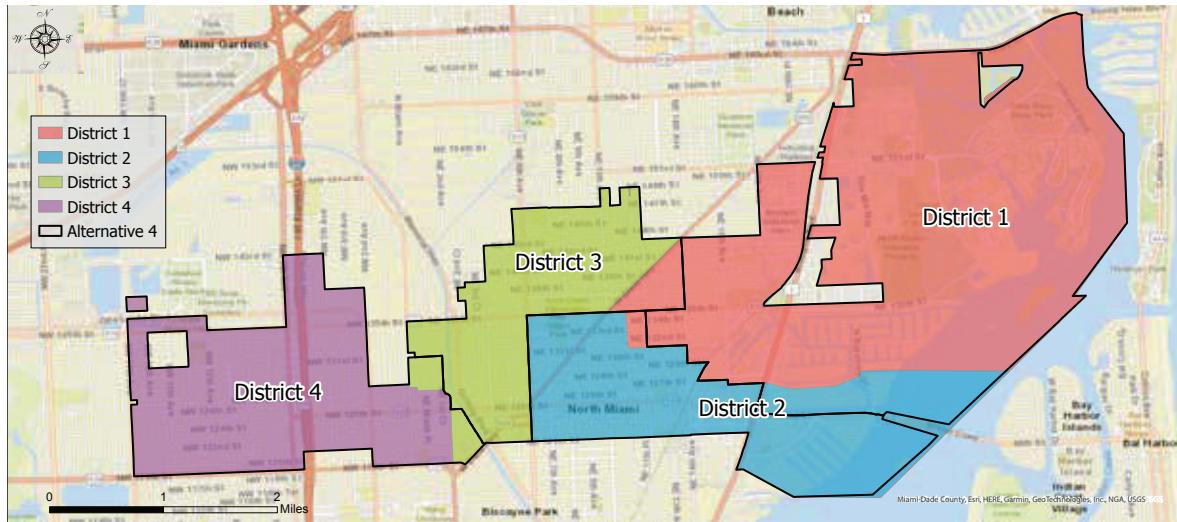

As we recover from the serious effects of COVID-19, let's all do your part to ensure we remain safe and be mindful of others in this season. I look forward to serving you each day with dignity, honor, and respect as I strive to do my very best. I was elected to serve you, and each decision and action is done with you in mind.

Sincerely,

Councilwoman Kassandra Timothe, MPA
City of North Miami District 2

District 2's Boundaries Have Changed!

Redistricting is the process that all legislative bodies undertake every ten years after the release of the U.S. Census. Redistricting determines how our electoral boundaries will be shaped for the next ten years. The North Miami City Council voted to adopt Map #4 which changed the district boundaries for all four districts.

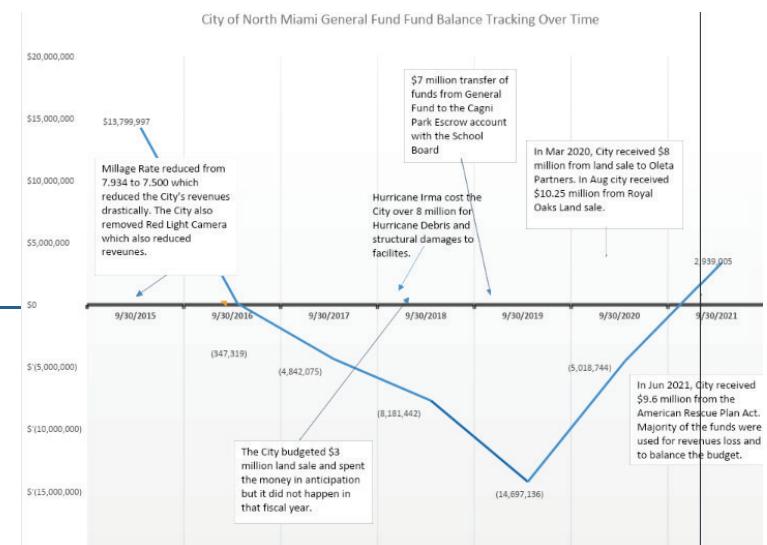

The map below displays the new district boundaries. The areas in color represent the old district boundaries, and the black line represents the new district boundaries. One of the requirements of redistricting is to avoid splitting communities of interest. As a result, all of Keystone has moved to District 1.

The City's Financial Future

To understand where the City stands financially, we must look at past events and decisions that led us here.

Take a look at the timeline below to get a glimpse of the city's finances.

The City of North Miami came from a \$14 million deficit. At the end of FY 2020, the General Fund of the City of North Miami had a fund deficit of \$4,926,363. For my first budget year in FY 2021's budget, the City developed a plan that continues the elimination of the fund deficit through a combination of targeted rate increases and other cost-cutting measures citywide. The City has taken measures such as scaling back Parks operations and furloughs on non-represented employees, including management.

While we are currently reporting a surplus due to one-time land sales and the American Rescue Plan, our expenditures continue to supersede our revenues. As you can see from the timeline, cutting revenues in the past has drastically affected the City today. While I am happy to report that our deficit is now gone, I understand the pressing need for re-occurring funds to ensure that we have a healthy and balanced budget.

Fiscal Year	2016	2017	2018	2019	2020
Revenues	\$52,514,000	\$55,261,571	\$57,732,065	\$60,772,185	\$59,588,906
Expenditures	(54,474,605)	(58,124,891)	(61,016,868)	(67,140,007)	(66,902,105)

A Year in Review

Extended Hands Now Services North Miami

During my first year, I successfully partnered with two community-based organizations to bring much needed resources to the City of North Miami. Funding for these initiatives was made possible through the U.S. Department of Housing and Urban Development Community Block Grants.

On March 26, 2022, I held a launch event to welcome Extended Hands, Inc. to the North Miami community. Extended Hands, Inc.'s mission is to support women, children, and families in low-resourced communities by providing education, mentoring, referrals, and resource tools for long-term self-sufficiency. During the launch event, families gathered for a day of games and access to educational resources. Extended Hands, Inc. also supplied families with new clothing for their children, nutritional information, and health tips.

Extended Hands, Inc.'s mission is to provide support to women, children and families in low resourced communities by providing education, mentoring, referrals, and resource tools for long term self-sufficiency.

Launching Tabu Academy Tennis Program

Additionally, childhood obesity is a serious problem in the United States, putting children and adolescents at risk for poor health. Therefore, I've partnered with Tabu Academy to bring sports clinics and agility training to our youth in the city. The Tabu Tennis Fitness Program offered about 15 children a new skill and experience. together, we are enhancing their quality of life and ensuring our youth thrive and reach for the stars. As your Councilwoman, community health is important to me. As such, I have dedicated myself to initiatives that promote the health and well-being of children, mothers, and families in the North Miami community.

To see more events and initiatives go to page 9.

Reva Development: Affordable Housing for Seniors

At the start of 2022, I attended a groundbreaking of a new development project in District 2. While this project was previously approved, I advocated for additional funding to fully cover the project expenses. Through a collaboration with the city's Housing and Social Services Department and the North Miami CRA, \$1.5 million is currently allocated for the construction of a five-unit green elderly housing project. The project is called the NoMi Elderly Lofts located at 1046 NE 128th Street. The project is being completed by Reva Development Corporation.

"Transforming a City, One Block at a Time"

What's a P3: Public Private Partnership?

One of my visions for the City is to have a robust downtown in the heart of District 2. This is why I have advocated and led the charge for the city's Downtown Public Private Partnership "P3" Project, a project to revitalize the City's nine-acre downtown area. Through this P3 initiative, the City will redevelop its existing properties and create a beautiful, vibrant, active, and walkable downtown combined for public and private uses with mixed-use real estate that may include:

- Revitalization of the Civic Complex and Police Station
- Expansion to the Museum of Contemporary Art (MOCA)
- Development of a new hotel
- Enhancement of public amenities
- Minimum of 400 ground-floor parking spaces for public and commercial use

Development in District 2

950 NE 124 Street

The proposed project is a mixed-use development featuring a seven-story, 175-unit, senior-living residential apartment building with 70 beds for an assisted living facility (ALF).

Annual property taxes to be received by the City: \$890,000.00

Manor Biscayne, 1650 NE 124 Street

This is a proposal for a two-acre residential, multi-family apartment complex to consist of 382 units: 27 studios, 138 one-bedrooms, 173 two-bedrooms, and 44 three-bedrooms.

Annual property taxes to be received by the City: \$1,342,398.00

North Miami Condos, 840 NE 130 Street

The proposed project is a six-story, 67-unit luxury condominium and multi-family residential project. The project features one to two luxury condominium units, a sustainable green building design, transit-oriented development components, a swimming pool, and landscaped open space.

Annual property taxes to be received by the City: \$98,515.00

The Gardens Residences, 12400 NE 12th Avenue

This is a nine-story, mixed-use development with 369 residential units, 1,100 sq. ft. of commercial space, and 503 parking spaces.

Annual property taxes to be received by the City: \$463,200.00

POLICE EMERGENCY 305-891-8111 OR 911

NON-EMERGENCY 305-891-0294

info@northmiamipolice.com

Did you know that the number of reported crimes in the City of North Miami is at its lowest level in over 50 years?

Through the North Miami Police Department's (NMPD) ongoing partnerships with the community and their crime prevention initiatives, there was an 18% decrease in Part One Crimes in 2021. That is on top of the 15% reduction that was realized in 2020. In 2022, our Police Department is working incredibly hard to keep crime at a record low. At the same time, they are increasing their engagement with community members, especially our youth.

One of the major factors in the crime reduction is our community's involvement. The NMPD is thankful for the public's participation in reporting criminal and suspicious activity. Our North Miami residents and business owners are the eyes and ears in our city. When the North Miami community members see something, they say something!

Our NMPD PEACE OFFICERS remain committed to protecting everyone in our community and earning the trust of our residents. While traveling through the city, you may see NMPD members on their weekly bike rides, patrolling the neighborhoods with their red and blue lights activated, cruising the canals with our Marine Patrol Unit, or even riding on horseback. The NMPD members are here for you as they are "making a positive impact."

UTILITY BILLING 305-895-9880

utility@northmiamifl.gov

Water and wastewater utilities across the nation are facing serious challenges posed by several factors: an aging infrastructure and the increasing cost to maintain it; an increased population to provide potable water to; and strict requirements imposed by regulatory agencies to conserve water. In order for the City of North Miami Water Utility to comply with the Consumptive Use Permit issued by South Florida Water Management District and the Environmental Protection Agency's (EPA) sewer system

infrastructure handbook requirements, a utility rate study was done to evaluate the utility's overall operation costs. Appropriate charges for utility customers were recommended.

If the City of North Miami did not adopt such a rate structure, the water utility could ultimately be shut down. The North Miami City Council voted to increase water and sewer rates for Fiscal Year 2021-2022 on October 12, 2021, which took effect December 1, 2021. Based on the current rate structures, there is a proposed increase of 6.00% for water and 9.00% for sewer for Fiscal Year 2021-2022.

EVENTS 2021

Information Fair (June 2021)

As a newly elected Councilwoman, I had the pleasure of hosting my very first event, the "District 2 Information Fair" at the North Miami Public Library. Residents had the opportunity to engage with personnel from various City Departments and learn about resources and programs available to them.

Summer Sweat Session (July 2021)

During the summer, I hosted several Summer Sweat Sessions for our residents to enjoy at Claude Pepper Park and Griffing Park. Special thanks to JL Hip Hop Aerobics for leading our fun workouts, MoeFlex Gym for providing complimentary body mass index assessments and North Miami Nutrition for providing delicious energy drinks to keep us hydrated!

Back to School Experience (August 2021)

During my Back-to-School Experience at Cagni Park, we made sure that children had an afternoon full of fun, bounce houses, cotton candy and sports clinics. We distributed over 900 backpacks to North Miami students thanks to partnerships with Team of Hope, Extended Hands Inc., and Tabu Fitness that made this successful event possible.

How to Apply Housing Workshop (September 2021)

The application process for assistance programs can often be a confusing one, so in September 2021, I hosted the "How to Apply" Housing Workshop at the North Miami Public Library to assist residents on the application process for the Emergency Tenant-Based Rental & Mortgage Assistance Programs.

Coffee with a Cop, Code and Councilwoman (October 2021)

Residents and business owners were able to ask questions and voice their opinions while enjoying a complimentary cup of coffee and light bites, courtesy of @macondocoffee in North Miami.

Turkey Giveaway (November 2021)

In the spirit of Thanksgiving, we distributed over 200 turkeys to residents at my District 2 Thanksgiving Turkey Giveaway. A special thank you to Omega Psi Phi Fraternity for donating additional turkeys that were given out during the event.

Winter National Parade (November 2021)

Our 46th Annual Winter National Thanksgiving Day Parade along NE 125 Street was a blast on the Big Red Bus. With over 40 decorative floats, North Miami Police Department vehicles, and special performances by local bands and dancers, we were elated to continue our iconic holiday tradition!

Elf Workshop (December 2021)

In the month of December, I had the pleasure of hosting my first "Elf Workshop" in honor of the holiday spirit! From pink dresses for little princesses to garments for the boys, all of Santa's helpers came out to help bring smiles and wrap gifts for the families of North Miami!

EVENTS 2021-2022

Unity in the Community (December 2021)

I partnered with the Florida State Conference of the NAACP and the Miami-Dade Branch of NAACP to present "Unity in the North Miami Community." The event took place in person at the North Miami Public Library and was streamed via Zoom on Facebook Live.

District 2 Pop Up Toy Giveaway at City Hall (December 2021)

On a special December afternoon, I gave away many gifts during my District 2 Pop Up Toy Giveaway. City Hall was filled with fun toys for the children of North Miami! Many families made a visit and children left with happy hearts and big smiles on their faces with their Christmas gifts!

2022

MLK Day of Service DIY (January 2022)

In honor of Martin Luther King Jr. Day of Service, I hosted a DIY Community Clean-Up. Supplies were available for pick-up at City Hall on MLK Day. My niece and I visited some North Miami residents and stopped by Liberty Park for the District 2 DIY Community Clean-Up. Let's Keep North Miami Beautiful.

Random Acts of Kindness Month (February 2022)

Throughout the month of February, we commemorated Random Acts of Kindness. Over 600 seniors in North Miami needed our kindness. Socks, blankets, body wash, lotion, beanies, individually wrapped snacks, and non-scented deodorant were donated, and I had the honor and privilege of visiting 4 nursing homes in North Miami to give these donations. Thank you to everyone who donated.

Celebration of Women (March 2022)

Before the regular Council meeting for Women's History Month, Councilwoman Mary Estime-Irvin and I co-hosted a reception in commemoration of several female business owners in the City of North Miami. During the Council meeting, a Proclamation was presented in acknowledgement of the month.

Celebrity Story Time (March 2022)

I had the privilege of participating in the North Miami Public Library's Celebrity Story Time along with Mr. James R. Haj, President/CEO of the Children's Trust. Of course, I read from one of my favorite books, *She Persisted* by Chelsea Clinton. Extended Hands, Inc. provided books and pajamas to our students in attendance.

4th Annual Housing Affordability Forum (April 2022)

Affordable Housing is a topic that urgently needs attention in South Florida. To help get the conversation started, residents were led in a discussion by moderator Santra Denis, Miami Workers Center Executive Director, and panelists Guerby Noel, Esq., Legal Services of Greater Miami, Inc. and Elvis Dumervil, North Miami Landlord.

EVENTS 2022

Welcome Springtime (April 2022)

Vice Mayor Dr. Alix Desulme and I were joined with Extended Hands, Inc. at Welcome Springtime. Families and children enjoyed arts and craft activities, new clothes, and an impromptu egg hunt!

Green Awareness Fair and Earth Day Clean Up (April 2022)

For Earth Day, I spearheaded clean-ups at North Bayshore Park and Enchanted Forest Park followed by an Earth Day fair where we gave away more than 100 free trees. The day ended with a movie under the stars, Wall-E.

In the Kitchen with Councilwoman KT (May 2022)

In celebration of Haitian Heritage Month, I hosted a mini-series entitled "In the Kitchen/Nan Kwizin nan avek Councilwoman KT" where I highlighted several Haitian-owned restaurants in the City of North Miami and their savory dishes.

Night of Honors (May 2022)

Mayor Philippe Bien-Aime and I spent an evening honoring and celebrating Haitian Media Professionals during Haitian Heritage Month. Many thanks to Café Crème and Chef Louisa for catering the event at the Museum of Contemporary Art!
