### **ARTICLE 3 - TIME FOR PERFORMANCE**

3.1 Subject to authorized adjustments, the Contractor warrants to complete the Services within two hundred ten (210) days from the date of the notice to proceed, unless terminated earlier by the City. Contractor agrees that the performance of Services shall be pursued on schedule, diligently and uninterrupted at a rate of progress which will ensure full completion within the agreed time for performance. Failure to achieve timely final completion shall be regarded as a material breach of this Agreement and shall be subject to the appropriate remedies available at law. This Agreement shall remain in full force and effect until the completion of Services by the Contractor and the acceptance of Services by the City.

3.2 Minor adjustments to the time for performance which are approved in writing by the City in advance, shall not constitute non-performance by Contractor. Any impact on the time for performance shall be determined and the time schedule for completion of Services will be modified accordingly.

3.3 When, in the opinion of the City, reasonable grounds for uncertainty exist with respect to the Contractor's ability to perform Services or any portion thereof, the City may request that the Contractor, within a reasonable time frame set forth in the City's request, provide adequate assurances to the City in writing, of Contractor's ability to perform in accordance with terms of this Agreement. In the event that the Contractor fails to provide the City the requested assurances within the prescribed time frame, the City may treat such failure as a repudiation or breach of this Agreement, and resort to any remedy for breach provided for in this Agreement or at law.

3.4 Contractor shall perform the Services Monday through Friday, between the hours of 7:30 a.m. and 5:00 p.m., excluding holidays. Hours beyond this timeframe must be requested in writing and approved by the City.

4.1 Contractor shall be paid an amount not to exceed Six Hundred Fifty-Five Thousand Seven Hundred Thirty-Seven Dollars (\$655,737.00) as full compensation for Services, pursuant to Contract Documents. Funding for this Agreement is contingent on the availability of funds and the

Agreement is subject to amendment or termination due to lack of funds or a reduction of funds, upon ten (10) days written notice to Contractor.

#### **ARTICLE 5 - SCOPE OF SERVICES**

5.1 Contractor agrees to perform Services for the benefit of the City under the special terms, schedules, and conditions set forth in the Contract Documents. Contractor shall perform Services in accordance with that degree of care and skill ordinarily exercised by reputable members of its profession.

5.2 One or more changes to the Services within the general scope of this Agreement may be ordered by Change Order. A Change Order shall mean a written order to the Contractor executed by the Parties after execution of this Agreement. The Contractor shall proceed with any such changes, and they shall be accomplished in strict accordance with the Contract Documents and the terms and conditions described in this Agreement.

5.3 Contractor represents and warrants to the City that: (i) Contractor possesses all qualifications, licenses and expertise required in the provision of Services, with personnel fully licensed by the State of Florida; (ii) Contractor is not delinquent in the payment of any sums due the City, including payment of permit fees, local business taxes, or in the performance of any obligations to the City; (iii) all personnel assigned to perform Services shall be, at all times during the term hereof, fully qualified and trained to perform the tasks assigned to each; (iv) the Services will be performed in the manner as described in the Contract Documents for the budgeted amounts, rates and schedules; and (v) the person executing this Agreement on behalf of Contractor is duly authorized to execute same and fully bind Contractor as a Party to this Agreement.

5.4 Contractor agrees and understands that: (i) any and all subcontractors used by Contractor shall be paid by Contractor and not paid directly by the City; and (ii) any and all liabilities regarding payment to or use of subcontractors for any of the Services related to this Agreement shall be borne solely by Contractor. Any Services performed for Contractor by a subcontractor will be pursuant to an appropriate agreement between Contractor and subcontractor which specifically binds the subcontractor to all applicable terms and conditions of the Contract Documents.

5.5 Contractor warrants that any and all work, materials, services or equipment that may reasonably be inferred from the Contract Documents as being required to produce the intended result, will be supplied by the Contractor at its own cost, whether or not specifically called for.

5.6 Contractor shall furnish all labor, materials, supplies, equipment, supervision and services necessary for, and incident to the performance of the Services. Furthermore, Contractor warrants and accepts that any and all work, materials, services or equipment necessitated by the inspections of the City and/or Miami-Dade County agencies, or other regulatory agencies as are applicable, to bring the project into conformity with the Contract Documents and all applicable laws, codes, regulations, procedures, or considered inside the contemplation of the Contract Documents, shall be deemed the responsibility of the Contractor at no additional cost to the City.

5.7 Contractor represents that it has examined the work site and accepts the Services and the conditions under which Services will be performed.

5.8 It is understood and agreed by the Contractor that the North Miami Building Department and its inspectors are professionals who are dedicated to providing efficient and courteous service to all residents, professionals, contractors and the public at large through plans processing, inspections and building maintenance, which ensures the protection of the citizens and enhances the quality of life within the City. For the purposes of this project, the Building Department is not a surrogate of the City. All decisions by the Building Department as to whether some aspect of the project is or is not in compliance with the Florida Building Code, Florida Fire Prevention Code and/or any other applicable codes, regulations, laws and ordinances are independent of and not deemed to be an act or a decision by the City. The Contractor agrees that it shall be the responsibility of the Contractor to ensure compliance with all applicable codes, regulations, law and ordinances. As noted in Section 5.6 of this Agreement, the Contractor warrants and accepts that any and all work necessitated by inspections which is not prescribed in the plans or specifications, but necessitated to bring the work into conformity with the Contract Documents and all applicable laws, codes, regulations, procedures and/or considered inside the contemplation of the Contract Documents shall be deemed the responsibility of the Contractor at no additional cost to the City.

#### **ARTICLE 6 – ENVIRONMENTAL AND SAFETY REQUIREMENTS**

6.1 Contractor shall comply and shall secure compliance by its employees, agents, and subcontractors, with all applicable environmental, health, safety and security laws and regulations, and performance conditions in this Agreement. Contractor agrees to utilize protective devices as required by applicable laws, regulations, and any industry standards, and to ensure that such devices or protective clothing are properly used by its employees, agents and subcontractors at the work site.

6.2 Contractor shall assume full responsibility for any damage to any mangroves, land or areas or to the owner or occupant of any contiguous land or property, resulting from the performance of Services under this Agreement.

6.3 Contractor agrees to comply with training and any medical monitoring requirements regarding its employees, agents and subcontractors to the extent required by applicable laws, regulations, health and safety regulations, and to pay related costs and expenses. Contractor also warrants that its employees, agents and subcontractors shall be fit and qualified to carry out the Services.

6.4 Contractor shall provide any required signage for the work location as directed by the City. No work shall commence until the appropriate signage is secured in place.

#### **ARTICLE 7 - INDEPENDENT CONTRACTOR**

7.1 The Contractor, its employees and agents shall be deemed to be independent contractors and not agents or employees of the City and shall not attain any rights or benefits under the civil service or pension ordinances of the City, or any rights generally afforded to classified or unclassified employees. The Contractor shall not be deemed entitled to the Florida Workers' Compensation benefits as an employee of the City.

**ARTICLE 8 - CITY'S TERMINATION RIGHTS**

8.1 The City shall have the right to terminate this Agreement, in its sole discretion at any time, with or without cause, upon ten (10) days written notice to Contractor. In such event, the City shall pay Contractor compensation for Services rendered prior to the effective date of termination. The City shall not be liable to Contractor for any additional compensation, or for any consequential or incidental damages.

**ARTICLE 9 - DEFAULT**

9.1 In the event the Contractor fails to comply with any provision of this Agreement, the City may declare the Contractor in default by written notification. The City shall have the right to terminate this Agreement if the Contractor fails to cure the default within ten (10) days after receiving notice of default from the City. If the Contractor fails to cure the default, the Contractor will only be compensated for completed Services. In the event partial payment has been made for such Services not completed, the Contractor shall return such sums due to the City within ten (10) days after notice that such sums are due. The Contractor understands and agrees that termination of this Agreement under this section shall not release Contractor from any obligations accruing prior to the effective date of termination.

**ARTICLE 10 - INDEMNIFICATION**

10.1 Contractor agrees to indemnify, defend, save and hold harmless the City its officers, agents and employees, from and against any and all claims, liabilities, suits, losses, claims, fines, and/or causes of action that may be brought against the City, its officers, agents and employees, on account of any negligent act or omission of Contractor, its agents, servants, or employees in the performance of Services under this Agreement and resulting in personal injury, loss of life or damage to property sustained by any person or entity, caused by or arising out of Contractor's negligence within the scope of this Agreement, including all costs, reasonable attorneys fees, expenses, including any appeal, and including the investigations and defense of any action or proceeding and any order, judgment, or decree which may be entered in any such action or proceeding, except for damages specifically caused by or arising out of the negligence, strict liability, intentional torts or criminal acts of the City, its officer, agents, employees or contractors, which claims are lodged by any person, firm, or corporation.

10.2 Nothing contained in this Agreement is any way intended to be a waiver of the limitation placed upon the City's liability as set forth in Chapter 768, Florida Statutes. Additionally, the City does not waive sovereign immunity, and no claim or award against the City shall include attorney's fees, investigative costs or pre-judgment interest.

**ARTICLE 11 - INSURANCE**

11.1 Prior to the execution of this Agreement, the Contractor shall submit certificate(s) of insurance evidencing the required coverage and specifically providing that the City is an additional named insured or additional insured with respect to the required coverage and the operations of the Contractor under this Agreement. Contractor shall not commence work under this Agreement until after Contractor has obtained all of the minimum insurance described in the Contract Documents and

the policies of such insurance detailing the provisions of coverage have been received and approved by the City. Contractor shall not permit any subcontractor to begin work until after similar minimum insurance to cover subcontractor has been obtained and approved. In the event the insurance certificate provided indicates that the insurance shall terminate and lapse during the term of this Agreement, Contractor shall furnish, at least thirty (30) calendar days prior to expiration of the date of the insurance, a renewed certificate of insurance as proof that equal and like coverage and extension is in effect. Contractor shall not continue to perform the Services required by this Agreement unless all required insurance remains in full force and effect.

11.2 All insurance policies required from Contractor shall be written by a company with a Best rating of B+ or better and duly authorized and licensed to do business in the State of Florida and be executed by duly licensed agents upon whom service of process may be made in Miami-Dade County, Florida.
